Second Half Of TV League Opens Sunday

TUALATIN VALLEY LEAGUE

			Pct.
Banks	5	0	1.000
Forest Grove	5	0	1.000
Seaside	4	1	.800
Cornelius	3	2	.600
Sheridan	2	3	.400
Hillsboro	1	4	.200
Verboort	1	4	.200
Gaston	1	4	.200

Coming games: Verboort at Seaside, Sheridan at Forest Grove, Gaston at Hillsboro, Cornelius at Banks.

Opening of the second half of the Tualatin Valley league will begin this Sunday with Hillsboro hosting a cellar mate Gaston nine at 2:30. The Townsmen club whipped the visitors 9-3 in the first game of the season with Walt Turner on the mound and he will probably go against the Wapato lake crew.

In other league tilts, Verboort will travel to Seaside to battle a squad which has improved rapidly in the last two weeks and with the ending of college will probably have a number of new faces in the lineup. Sheridan comes up to Forest Grove to meet the league leaders. Chucker Del Jansen will almost certainly go to the hill for the Growers. Cornelius journeys to Banks to defend a win garnered over the Sunset horsehiders earlier in the season. Either Jim Hudson or Mel Love will go to the center position and Jim Zupo has a choice of Tony Dooher or Dutch Schmidt, both of whom met disaster at Seaside last week. Cornelius dumped the Pioneers in their first outing 3-1.

per in the Pacific northwest, either daily or weekly, which earned an NEA general excellence award.

Previous national awards which have gone to the Argus include first in general excellence, 1940, second in 1947 and third in 1937, second in nation in classified ads for weeklies in 1939, third on editorial page in 1937 and again in 1942.

The Argus was ineligible for the contest during the time Editor McKinney was president and director of the NEA.

In announcing the award to the Argus, Orrin R. Taylor, NEA president, said in part: "You will be pleased to learn that the contests this year attracted the greatest number of entries and afforded the judges many problems in determining the winners because of the excellent quality and improvements shown.

"Winning an award in these national contests is an honor desired by many—but achieved by few, and to know that your publication merited such a coveted rating is a credit to you and every member of your staff who contributed to the success and attainments which you have achieved . . ."
