Short Talks.

BY JOSH BILLINGS.

Most every one luves to listen to a slander, but thare aint but phew but what dispise the author ov it.

There are jnt phew people here belo that hav braines enuff to amuze themselfs.

Wize men are never surprized, while phools are alwuss wondering at every thing that happens.

After trieng for more than forty years to have mi own way, I hav finally cum to the konklushan to split the difference.

Without mueny, without friends, and without impudence, iz about az low down in this world az enny man kan git, and keep virtewous.

Beware ov the man who iz alwuss reddy to swop old friends for new ones.

Than iz nothing that a man iz so certain ov az he iz ov what he sees, and yet thare iz nothing after all that deceaves him oftner.

I know ov menny people who ain't happy until they hav red the last book out; theze folks quite often git phull, but seldum git phatt.

One ov the most perfekt viktorys yu kan achieve over enny man iz to beat him in politeness.

It ought to kure the pride ov enny man when he reflekts that there ain't no one living but what owes more to the world than the world owes to him.

To be familiar with every one and preserve yure respekt, and their esteem, iz an evidense of the most remarkabel tallents.

Too mutch brages in a man's hed iz like too mutch milk in a pitcher, must be carried with a dredful stiddy hand or it will slop over.

The best abuzed woman ov the 19th century iz the average mother-in-law.

Wize men sometimes bild air kastles but tare them to pieces when they git thru; it iz only the phools who bild them and then undertake to liv in them.

A klear conshience, plenty to eat, and a good digestion, are the three best kards in the pack.

The best bill ov fare I kno ov iz a good appetight.

I konsider forms and cerimonys the mere triks ov civilizashun, but to observe them iz the only way I kno ov to proteket ourselfs aginst the common herd.

Sum folks never git reddy; they are alwuss behind hand; they will sum ov them be too late to tend their own phuneral.

The dog that will phollow everyboddy, aint worth a kuss.

The rarest artikle quoted in market just now iz good kommon sense.
