EIGHTH ANNUAL EXHIBITION OF THE LINN COUNTY AGRICULTURAL ASSOCIATION.

THIRD DAY.

The Pavilion presents a fine appearance to-day, every department being creditably represented in articles on exhibition. A finer display of vegetables has never been shown at any Fair in the State. The quantity is not so great, but the quality is certainly without a parallel in any other country than Oregon. Fine specimens of fruit are to be seen, but the quantity and variety does no special credit to fruit growers. The Superintendents of the different classes met at the Secretary's office at 1 o'clock to select judges and receive from the Secretary a list of the articles entered in the respective departments for examination. As announced yesterday the opening address was delivered at 1 o'clock to-day. At half past 1 o'clock P. M. the racing began and for the rest of the day the track, the judges and the spectators' stands were the main centers of attraction. The first race, running, for three-year-olds, single dash of a mile, purse $200; first premium $150, second premium $50;—three to enter and two to go. George Ross entered "Hiram Ablf," W. J. Tindall entered "Bill", and Ross entered "Unknown." "Hiram" and "Bill" were the only horses to put in an appearance, and at the appointed time they were let off in good style.—This race was very exciting. The horses ran lapped from the start and came out within one-fourth of a second of each other, "Hiram" winning in 1:51¾.

The next race was at 2 o'clock; trotting, two in three, for horses that never beat 3:30; purse $100; first premium $75, second premium $25; three to enter and two to go. Jown Cowdell entered "Snip," C. H. Annis entered "Minnie Parton," and Tennant entered "Dusty Bob." The first heat was won by "Dusty Bob"—time 3:07¾;—"Snip" took the second—time 3:14¾, and "Minnie" took the third—time 3:15¾. This made it necessary to go another heat, which was won with ease by "Minnie—time 3:12.

At half-past 3 P. M. the last race of the day came off. Purse $500; first premium $350, second premium $150; three to enter and two to go; two in three, mile heats, running. Gird entered "Buckskin," Ross entered "Trifle," and somebody else entered a "straw horse" to make up the race.—"Trifle" won in two straight heats—time 1:48 and 1:55. "Buckskin's" time was 1:48¾ and 1:56. This closed the races for the day. The friends of the respective horses in each race manifested their confidence in their choice by risking their money in almost equal sums at the pool stand and in private bets. Great preparations are being made for the great race of the season, which is to come off at half-past 1 o'clock on Saturday, for the purse of $1,000. The contest will doubtless be one of the most exciting ever had in the State.

Albany is again to-night crowded to overflowing. The streets are still thronged at 1 o'clock this (Friday) morning. Parrish's Hall is the scene of gay festivity, even at this hour, in the character of a dance in which both old and young participates with about equal apparent pleasure.

FOURTH DAY.

The weather is still beautiful. There is no perceptible change in affairs since yesterday. About the same number may be seen around the principle places of resort.

This being next to the last day of the Fair, it is now certain that, as compared with last year or any previous year, the present meeting of the Society is a success. The amount received as entrance fees alone had reached about $2,200 on Tuesday evening.—Since that time it has been impossible to learn the amount taken in, as the officers have been too busy to keep a daily record of the receipts and place it in shape to be communicated to reporters. The Agricultural Address was delivered to-day by A. C. Jones, Esq., and listened to by a respectable audience. At 10 o'clock the plowing match came off, but as yet it has been impossible to get the names of the competitors or the award of premiums.

The great trotting race which was postponed from Wednesday came off, and was the first race of the day. This was three in five, mile heats, for $500; first premium $350; second premium $150. Welsh entered "Blackbird" and Lindsley entered "Maynard." The latter won in three straight heats;—time, 2:40¾, 2:44¼ and 2:44¼. "Blackbird's" time was 2:43¾, 2:45 and 2:45¼. Horsemen claim this as the best time ever made in Oregon.

The next race was at 3 o'clock P. M., pacing, two in three, purse, $150; first premium, $100; second premium, $50. H. L. Rudd entered "Horace Greeley," and S. Montgomery entered "Shoo Fly." The former took the first heat; time, 2:38¼. "Shoo Fly" took the second and third heats; time, 2:37 and 2:40.

At half-past 3 o'clock the trotting race for three-year-olds was made the order of the day. The race, as per announcement by the Society, was two in three, purse of $100; first premium, $75; second premium, $25; three to enter and two to start. Welsh entered "Robert Bonner," and Cowdell entered "Nipper." "Bonner" won in two straight heats; time, 3:31 and 3:27.

This ended the racing, except a number of scrub contests not worth mentioning.

A hasty run around among the stalls where the stock is kept gave convincing evidence that this feature of the exhibition is really excellent.

FIFTH DAY.

This being the last day of the Fair everything is in bustle and confusion. Many are leaving because they have become weary, while others have left in disgust in consequence of depleted exchequers, superinduced by too lively bidding for pools and too frequently "getting on the wrong horse."

At 9 o'clock to-day the judges on draft horses proceeded to inspect those on exhibition. There were three entries, by Westfall, Duncan and Morris. The horses were all noble-looking animals, but in the opinion of the judges Westfall was entitled to the first premium and Duncan the second, and the awards were made accordingly.

At half-past 1 o'clock the great race of the season was run. This was for a purse of $1,000. First premium, $750; second premium, $300; three in five, running. Gird entered "Buckskin" and Ross entered "Trifle." The latter won the inside track. At the pool stand "Trifle" was the favorite from the beginning, and sold two to one higher than her competitor. The horses, though showing a great deal of mettle, acted splendidly. "Trifle" won in three straight heats; time, 1:50, 1:55 and 1:56. "Buckskin's" time was 1:51, 1:57 and 1:59. This race closed the running for the season. Considerable money changed hands on the result, both at the pool stands and in private lists, but odds of two to one were generally given by those betting on "Trifle."

At half-past 3 o'clock the ladies competing for the premium in the line of equestrianship appeared on the track in front of the judges' stand. There were three competitors—Mrs. H. S. Crowder, Mrs. M. Luper and Mrs. M. L Nixon. They were all well mounted and managed their horses in fine style. The sympathies of your correspondent were deeply enlisted in behalf of the gallant judges, who seemed at a loss how to decide against either of the fair rivals who were so earnestly striving to bear off the palm of victory. There was no escaping the duty imposed, however, and the judge supposed to possess the steadiest nerve, was authorized to attach the blue ribbon to Mrs. Crowder's rein, and the red to that of Mrs. Nixon. Mrs. Luper rode without a saddle, a feat in which she is without an equal in the State perhaps. She sat her spirited horse with as much apparent ease and fearlessness as most ladies would exhibit reclining in an arm chair.

The next and last order of the day was a foot race, quarter of a mile, premium $10. There were three who competed for the purse, named respectively, Price, Saunders and Sportsman. Saunders won; time, 1:05. Sportsman came in second, but many feet in the rear. The Marshal now proclaimed the Eighth Annual Fair of the Linn County Agricultural Society closed.

PERSONAL.—Wm. Thompson editor of the *Mercury*, was in attendance upon the County Fair a couple of days last week, and called in to see us during his stay.

R. G. Head and Geo. McClane, proprietors of the Corvallis *Democrat*, rushed in upon us the other day on their way to the State Fair.

Hiram Farlow, of Ashland, formerly of this county, gladdened us with his presence in town last Wednesday. He reports times rather lively in Jackson county. Wheat is worth a dollar a bushel and everybody goes for Greeley.

ESCAPED.—On Thursday evening of last week Charles Brown and Alex. Reid, confined in the county jail awaiting their trial for stealing a span of horses and a buggy from Bartges & Merrick, escaped and have not yet been captured. They made their way through the aperture over the door connecting the hall in which they were temporarily placed into an adjoining hall, and then into the front room, from which they easily escaped outside. A reward of one hundred dollars has been offered for their capture.

STONE COAL.—There was on exhibition at the County Fair some fine specimens of stone coal, from the Beaver coal mines, north of Lebanon, in the Forks of the Santiam. The mines belong to the Beaver Coal Mining Company, of which Gov. Ballard is President and Harrison Johnson and M. D. Byland Directors. The specimens which were on exhibition were pronounced by good judges to be of superior quality.

FINE SHEEP.—Mr. Nimrod Price, of this county, had on exhibition at the County Fair a number of fine-blooded sheep which attracted considerable attention. One Cotswold buck, imported from England, one fine French Merino ewe, and a pair of lambs, a cross between the two, were really excellent. Mr Price sheared a flock of yearlings of the same cross last spring, which averaged 12½ lbs to the fleece.

BURGLARS.—The residence of Mr. Jason Wheeler was burglarized on last Friday night while the family was absent attending the county Fair. The burglars ransacked the house but contented themselves by taking a couple of gold specimens from a drawer and a supply of provisions. Brown and Reed who broke jail are supposed to have been the guilty party.

ARRESTED FOR GAMBLING.—The authorities arrested a man named Brown for gambling during Fair week. He was taken before Justice Carothers and fined $100 and costs. He concluded first not to pay his fine, but a few days in jail made him change his notion and he paid up and, shaking the dust of Albany from his feet, departed.

MORE BURGLARY.—The residence of Moses Miller, about five miles east of town, was entered by thieves last Thursday night. The thieves took a fine shot gun and some other articles of less value. This thing is becoming monotonous. There is certainly an organized band of burglars about.

THANKS.—We are under many obligations to Martin Miller for a basket of luscious grapes placed upon our table last Wednesday.

HOME AND ABROAD

Wheat is only worth sixty cents in this market. We hear of considerable lots selling at that price.

Chas. Meafey has determined to change his business, and will for sixty days continue to sell his entire stock of furniture at cost.

Our editoral correspondence in another column will be found interesting. It is gotten up in a style peculiar to the author and always interesting.

S. M. Pennington, formerly a resident of Albany, and now a citizen of Umatilla county, gave us a call yesterday. He is here on a visit to his old home and friends.

Hon. J. H. Douthit came in from Ochoco last Monday, and will remain for about two weeks. He found snow on Sand Mountain and it had rained considerable in Ochoco valley before he left.

APPOINTED.—We inadvertantly omitted to state last week that Mart. V. Brown, of the DEMOCRAT, had been appointed Brigadier General of Militia by Gov. Grover, in place of Gen. O. F. Bell, resigned.

JEWISH NEW YEAR.—The 5,633rd anniversary of the Jewish New Year was ushered in by the rising sun on last Wednesday morning. The Jewish people everywhere observe this anniversary with appropriate ceremonies.

LOST.—A little girl's black cloth overcoat was left at some of the stands on the Fair Ground. The finder will confer a favor by leaving it at this office.

DIED.—The wife of Dr. W. G. Jones, of this city, who has been ill for the past two months, died yesterday.

WHEAT only worth 55 cents and N. Baum, at the Pioneer Clothing Store, is selling according to hard times. He has a large and well selected stock of fall and winter clothing and is selling cheaper than any house in the city.—Give him a call before you purchase elsewhere.

MARRIED.

FAULKNER—SMIMH.—On the 29th ult., at the residence of the bride's father, near Waterloo, by J. T. Gilmore, J. P., MR. ELIAS FAULKNER and MISS MARY SMITH—all of Linn county.

The happy couple remembered the printer in a style peculiarly acceptable to the disciple of Faust. May they live long and happy.

Gent's French rubber toilet goods. Samples 25, 35 and 40 cents. Also a large variety of fancy pictures of all kinds at 10 cents each or 3 for 25 cents. Send me a three cent stamp and get one of my circulars. Address J. D. Mountfort, Box 116, Washington, D. C. 3m.

AGAIN IN THE FIELD.—The old reliable house established in 1850. Old firm; new goods. A splendid assortment of French fancy goods just received—many of them now introduced into this country for the first time. Reader, enclose me a three cent stamp and I will send you by return mail my circular, containing most valuable information for every man and woman in the country, and a catalogue of fancy goods which I sell at astonishing low prices. Address J. D. Mountfort, P. O. Box 116, Washington, D. C. n1m3.

If you feel dull, drowsy, debilitated, have frequent headache, mouth tastes badly, poor appetite and tongue coated, you are suffering from torpid Liver or "Biliousness," and nothing will cure you so speedily and permanently as Dr. Pierce's Golden Medical Discovery.

Every one should know that the panacea which has stood the test of nearly half a century of trial in the cure of coughs, colds, bronchitis, influenza, and whooping-cough, is DR. WISTAR'S BALSAM OF WILD CHERRY. It maintains in the fullest degree its well-earned reputation. All sufferers should try it.

Holloway's Pills and Ointment.—The most power existing medicine for the cure of female complaints. Fifty years experience, incontestably prove these remedies unrivalled for the disorders incidental to the softer sex. No family should be without them. They may be taken by young and old, as they will restore health when every other means prove unsuccessful. 25 cents per box or pot.

SPECIAL NOTICES.

Old Things Have Passed Away.

This is at least true of the old method of treating the long abused and much abused human body. It is no longer considered wise to put a patient to the torture in order to cure him of a disease in which pain is already undermining the energies of his system. True science ranges itself on the side of nature, and endeavors to assist her in her fight against disease. This is the province of Hostetter's Stomach Bitters, the most approved tonic ever advertised in this country. It may be recommended as a fall medicine, par excellence;—for it is in the fall that biliousness, dyspepsia and malarious fevers are especially prevalent. The frame, exhausted by the heats of summer, is relaxed and feeble at its close, and requires, we may say, demands, artificial assistance.—Afford it that assistance in occasional doses of Hostetter's Stomach Bitters, and the evils referred to may be escaped. Throughout the far West, and on the steaming alluvial of the Southern rivers, all the varieties of periodical fever are probably rife to-day. Had a course of Hostetter's Bitters been commenced by the sufferers a month ago, i. e., before the unhealthy season set in, seven-eights of them would in all probability be in their usual health at the present time. So much for want of foresate,—So much for not keeping in the house, and using daily, the best safeguard against epidemic and endemic fevers.

As flocks of imposters and imitators are trying to follow in the wake of the great American remedy, therefore be sure that the article you buy is genuine and verified by the proper trade-marks. The true article can only be obtained in bottles. Beware of the spurious bitters sold by the gallon or in keg.

In the name of the State of Oregon: You are hereby summoned and required to appear and answer plaintiff's complaint in the above entitled action, now on file with the clerk of said court, on the first day of the next regular term of said court, to be holden at Albany, Linn county, Oregon, on the 4th Monday of October, 1872. And you are hereby notified that if you fail to answer said complaint, as above required, the plaintiff will take judgment against you for the sum of $3,420. The relief demanded in said complaint is the recovery of money belonging to plaintiff from defendant, and for compensation for boarding, clothing, educating and taking care of defendant's children; that the order for service of this summons by publication was made August 21, 1872.
