Book

cont'd from pg 6

rising star's impressive resume, as she has just released her first book: "Pretty Powerful."

The groundbreaking how-to tome puts forth the proposition that it's perfectly respectable for women to be as sexy as they are cerebral in pursuit of professional success. That unorthodox advice flies in the face of the conventional thinking which would have women downplay their pulchritude while climbing the corporate ladder in order to avoid being dismissed as bimbos.

Here, however, Eboni reflects upon her own experiences walking back and forth across the line between fierce and flirtatious personas. She's assisted in making her case by anecdotal evidence furnished by a number of accomplished colleagues who share her daring approach: Johnson Publishing CEO Desirée Rogers, OJ prosecutor Marcia Clark, and conservative political pundit Monica, to name a few.

Don't hesitate to purchase this practical primer so full of priceless pearls of wisdom it amounts to the literary equivalent of buying in bulk.

REQUEST FOR BIDS

METRO Recycling of Waste Latex Paint & Rinse Water ITB 3412

Metro, a metropolitan service district organized under the laws of the State of Oregon and the Metro Charter, located at 600 NE Grand Avenue, Portland, OR 97232-2736, is hereby inviting sealed bids for Recycling of Waste Latex Paint & Rinse Water. Sealed bids are due no later than 2:00 p.m., October 18, 2017 in Metro's business offices at 600 NE Grand Avenue, Portland, OR 97232-2736, Attention: Julie Hoffman, Procurement Analyst, ITB 3412. Bids will be opened publicly at that time. The scope of work is to recycle or reuse two waste streams from Metro's water-based paint recycling operation. It is estimated that 150,000 gallons of Waste Paint and 100,000 gallons of Rinse Water will be generated during the initial contract term, however Metro does not guarantee any particular quantity. Solicitation documents can be viewed and downloaded from the Oregon Procurement Information Network (ORPIN) at http://orpin.oregon.gov/open.dll/ Metro may accept or reject any or all bids, in whole or in part, or waive irregularities not affecting substantial rights if such action is deemed in the public interest. Metro extends equal opportunity to all persons and specifically encourages minority, women-owned and emerging small businesses to access and participate in this and all Metro projects, programs and services. Metro and its contractors will not discriminate against any person(s), employee or applicant for employment based on race, color, national origin, sex, sexual orientation, age, religion, disability, political affiliation or marital status. Metro fully complies with Title VI of the Civil Rights Act of 1964 and related statutes and regulations in all programs and activities. For more information, or to obtain a Title VI Complaint Form, see www.oregonmetro.gov.

WASTEWATER OPERATORS II

This is full performance level work in the operation and routine maintenance of a large, activated sludge, wastewater treatment plant. Wastewater Operators II maintain established water quality standards through the effective operation of all equipment involved in the treatment process including operating, monitoring and controlling a vast network of pumps, conveyers, air and chemical systems. Assignments are in one of five work units, which provide 24-hour coverage every day. For more information and to apply, please visit www.portlandoregon.gov/jobs.
