Bedrock Democrat.

Baker City, Dec. 8, 1875.

☞ The BEDROCK DEMOCRAT has more BONA FIDE, paying subscribers in Baker County, than has any other two papers published in the State. We put no man's name on our subscription list unless we have orders so to do. ☜

BLANK DEEDS, Mortgages and other Blanks for sale at this Office.

NEW YEAR'S ADDRESS.—Who will furnish our "Devil" a New Year's Address?

Enlargement.—Owing to the fact that we are making the necessary arrangements to enlarge our paper, we are giving less reading matter than usual. We will make up for this when we enlarge The telegraph line is not in operation yet.

GRANGE CELEBRATION.—It being one of the requirements of the National Grange that the subordinate Granges shall celebrate the Anniversary of the Order, the Wingville and Baker City Granges united and celebrated, at this city, in the following manner: The members of the two Granges met at the Hall of Baker City Grange last Saturday, at 11 o'clock, A. M., and, at 1 o'clock, P. M., formed in procession on Main Street, led by the Baker City Brass Band, and marched to the Court House in the following order: Orator and President of the day, second, Officers of the Granges according to their respective ranks, last, the sisters, brothers and citizens. After arriving at the Court House the audience were seated. Music by the Band. Oration by Bro. Jas. H. Slater, in which he gave a very elaborate and concise history of the rise, progress and aims of the Order. Music by the Band.—The procession then returned to the Hall, in the same order, where a collation had been prepared, and all enjoyed themselves hugely. Everything passed off in the most pleasant manner. We expect to publish the Address of Mr. Slater in the DEMOCRAT of the 29th instant.

Died.—At Salem, Oregon, December 1, 1875, of Diptheria, WM. HUNSTOCK, aged about 77 years.

It is with feelings of sorrow that we announce the death of "Grand Pa Hunstock," He was the father-in-law of Hon. A. H. Brown, and has two sons now living in our county. Mr. Hunstock came to our city to reside in 1870, and was well known to the most of our citizens, and all who knew him loved him on account of his noble traits of character, and our citizens extend to his bereaved widow, sons and daughter their heartfelt sympathy. He left our city, with his wife, with Hon. A. H. Brown in August, 1874, for Salem. He intended to return to our city a month or two since, but bad weather setting in, he was detained.

CALDED.—A week or two since W. H. Thompson and E. S. Burnham, from Granite Creek mines, called on us. These gentlemen, with their partners, have some very fine quartz ledges in that district, which they are opening. They have had tests of the rodk made and it proves to be very rich. Teey intend to finish the work of opening their mines this winter. We received a very interesting letter from this district last week, but, by some mishap, it has got mislaid. We expect to hear a good account of Granite Creek District next season. We wish Thompson, Burnham & Co, success equal to their fondest anticipations.

BAPTIST MINUTES.—We this week for the benefit of our Baptist friends, publish the proceedings of the United Baptist Association held with the Cove Churches, on the 14th 15th and 16th of October, 1875. We a e satisfied a great many others than members of that church will be pleased to read these proceedings.

OPEN WEATHER.—The weather for the past ten days has been mild, with occasional rain and a little snow. The ground is soft and the roads are very bad.

FREE LUNCH.—The Shoo-Fly Saloon will be opened tomorrow morning; there will be a fine lunch set at half past nine o'clock A. M. and Jim asks everybody to call and see him. He will be a good and affable bar-keeper.

The pool sellers on the great four-mile race in California hold more than $200,000 to await the result. As there is no immediate prospect of the race taking place, and money is worth four per cent, a month in San Francisco, the pool sellers are in the enjoyment of a very respectable temporary bonanza,

"Jennie, you're my sweethear,', said a nine-year-old suiter, as he sat alone with his heart's idol. the other evening. "How can I be your sweetheart," asked the little miss, "when I am 13 years old, and you only nine? "Are you thirteen!" "Of course I am." "Well," answered the juvenile bean, after reflecting a little. "I'd a been thirteen, too, if I hadn't been sick so much when I was little."

ON Sunday evening November 28th, the office of the Albany Democrat took fire from a stick of wood which the office boy had taken out of the stove and laid upon the floor, after having, as he supposed, extinguished all traces of fire upon it. The office was damaged to the amount of $700, but was covered by insurance.

RECOVERING.—Dr. Boyd is recovering from the severe injuries he received some time ago by being thrown from his carriage, and will soon be able to ride again, when he hopes to be able to accommodate all of his customers, professionally.

EPIZOOTIC.—By a letter we rebeived last evening from C. W. Durkee, who is now at Silqer City, we understand that the Epizootic is raging there. No horses or mules escape. It is not in a frtal form. The Snow is aeout eighteen inches deep at Silxer. Rich strikes are being made in some of the mines here.

TOO BAD.—Mrs. Livermore estimates that in Massachusetts there are 70,000 marriageable women who are likely to remain single, because there are not men enough in the State to go around. Our "Devil" says he will take a few if they will immigrate to this county.

MR. SANKEY urges all church organizations to employ none but Christian singers in the choirs. He believes that the service of music for good is lost by hirling saints and godless vocalists to dish up music.

Personal.

Dr. Hulsey's family have arrived in this city from La Grande. The Dr. intends making this city his future place of residence.

Mrs. M. Hyde, of the Virtue Mine, has returned home from an extended visit east. Her mother accompanied her back.

Geo. Wisdom, City Marshal, has appointed Mr. A. Henderson as Deputy Marshal and Night Watchman, Alex. will make a good officer.

J. W. COMPTON.

SERVED HER RIGHT.—Two lovers in this city have fallen out. The girl was about to marry another young man, when her former suitor replevined a sewing machine he had given her. She responded by suing him for the value of meals eaten at her house, and now he has sued her for the time occupied in courting her.

EAR-MARKS.—The Correspondent of the *Oregonian* has again dished up his "dirty bite" under the *nom de plume* of "Conservative." Although the garb is changed, yet the cloven foot of his invariable "style" is visible. Indeed, the "style," like a keg of oats, never loses its ear-marks. It is good—derned good—and has been so considered by the *Literati* of the world for the last Ten Thousand Years.

It is said that Andrew Johnson chanc d to be Governor of Tennessee at the time when an ex-blacksmith was Chief-Justice of the Supreme Court, and the Governor, with his own hands, made a vest for the Chief-Justice went to a forge, and made a shovel and tongs to present to the Governor.

Why not have your Pictures.—Hudnall has located in our midst, and will make them for you satisfactory, and at most reasonable prices, Go and try him. n30t4

King; and a good supper will be prepared at the Hotel De France. Tickets can be procured at all the principal business houses in our city, for the mall sum of $4, supper included. 29tf.

☞ **Chas. St. Louis** has located permanently in Baker; and is now prepared to manufacture and repair all kinds of jewelry and watches. Remember that Baer, Alexander & Co are agents for Giant powder, fuse and caps.

NOTICE.—To all it may concern: I have procured the services of Mr. S. P. Romig, of La Grande, who is well known in this country and California as a workman in all the various branches of the trade. As a horse-shoer he is surpassed by none. I only request my friends and teamsters to come and give us a trial to be convinced. All work warranted to give entire satisfaction, and at the customary rates of the country.

Grand New Year's Ball.—By reference to another column it will be seen that there will be a Grand New Year's Ball, at Cleaver's Hall, on Friday evening December 31st., 1875. Tickets, including supper, $4. n26n34

How to get Stamina.—Iron frames and strong nervous systems are not the lot of all. But the feeble need not despair. By adopting the right means, they may live as long and enjoy life as much as their more robust neighbors. Physical invigoration is, however, necessary to this end; and while the spirituous tonics and nervines usually administered eventually depress both body and mind, Dr. J. WALKER'S CALIFORNIA VINEGAR BITTERS invariably supply new vigor to the frame, while they regulate every disordered function.

Wanted.—We want Wood, Grain, Money, Hay, Vegetables, Money, Eggs, Butter and Money, Beef Pork and MONEY, and if those who are in arrears to the BEDROCK DEMOCRAT do not settle their accounts, with some of the above mentioned commodities, between now and the First of December, we will put their accounts in the hands of officer for collection. We have waited on you as long as we can, and now you must pay your honest debt to the PRINTER. We mean just what we say, and if you do not want to pay cost you MUST settle your bills with this office.
