Suicide Uses Deputy's Gun.

Lebanon, Ore., April 22.—W. H. Beard, one of the best known pioneer farmers in this part of Linn county, shot himself in the head at noon today, while temporarily insane. He seems to have lost his mind Saturday night, when he left his home about dark and roamed about the country until today. He took with him a Winchester repeating shotgun, and several neighbors who saw him Sunday were driven off by threats of being shot. This morning Deputy Sheriff Green of Lebanon, with a posse of several men, went out for him. They found him several miles from home, in the woods, and induced him to get into a buggy with the deputy sheriff. When they had gone a short distance, Beard slipped a 32-caliber hammerless revolver from a side coat pocket of the officer and before he could be disarmed had shot three times, two of which took effect in the right side of his head near the ear.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have offered One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

Remodel Commercial Club.

La Grande, Ore., April 22.—Considerable preparation is going on here in anticipation of the visit to La Grande of Manager Tom Richardson, the booster from Portland, and a mass meeting is being arranged. Aside from listening to the vim and enthusiasm of the Portland booster the business men will organize a new commercial club along commercial lines. There has been considerable dissatisfaction in having athletics and commercialism affiliated, and henceforth the two will be separate. The club is affiliated with the defunct building association, but is to be reborn next Wednesday night. Judge Crawford is president of the present club.
