Quite a number of ladies and gentlemen from Jacksonville and vicinity paid the Sterling and other hydraulic mines a visit Sunday.

Geo. W. Ratrie and family of Butte creek were in town Monday. Mr. Ratrie informs that everything is beginning to flourish once more in that section.

A. W. Hammond, the Republican candidate for District Attorney, gave us a call Saturday. We now know who he is and find him a pleasant gentleman.

Owing to the impassability of the roads the only warrior from Klamath tribe of Linkville present at the Red Men's celebration last week was C. C. Dixon.

The balcony of John Orth's building, which broke down last week, with almost serious results to the large number of people upon it at the time, has been repaired.

Wm. Hoffman, Esq., officiated in the Clerk's office last week. The 'Squire served the county efficiently as Clerk in former years and was therefore quite at home.

Experience has taught many of our farmers that summer-fallowing is very often advisable a number of them are getting ready to plow their ground for next season's crop.

A letter from a prominent citizen of Salem received at the TIMES office speaks very encouragingly of Democratic prospects. He closes by saying that "George's speech fell very flat."

Hon. C. W. Broback of Lake county is in this section at present buying up young cattle. He informs us that the loss in stock will be severe, but not nearly so great as at first represented.

Charley Griffith visited Jacksonville during the past week and enlightened us on the leading topics of the day. As a conversationalist Mr. Griffith is revivifying, his "long talk" being "sweetness long drawn out."

Attention is called to the ordinance passed at the last session of the Board of Trustees, which will be found in another column. It is one that has been needed a long time and will be heartily endorsed by all good citizens.

Many miners are commencing to clean up, though a great number are still busily engaged in ground-sluicing, water being abundant in places. The season promises to be the best experienced in this section for years.

The Humboldt *Times* says: A. P. Flagler has sold his photograph gallery in Eureka, and gone to San Francisco, where he intends to remain for the present, and possibly may engage in business there. Mr. F. thoroughly understands the art, and will do well anywhere.

While the Republican Convention was in session at Portland, the *Telegram* predicted the nomination of Wilson of Jackson county for Supreme Judge. It was no mistake of the printer as the name occurred several times, but was caused by the editor not knowing otherwise.

G. B. Caldwell, who will be re-elected as Representative from Josephine, was in town this week. He informs us that the Democracy of our sister county propose to keep the banner they have so gallantly maintained for years and will give the whole ticket a handsome majority.

The frame of the steam mill was raised Monday, a large number of our citizens assisting. Messrs. Wimer and Hammond, who have charge of the work, are expediting matters as fast as possible and expect to have one run of burrs in position by the time the new crop comes in.

It is safe to assert that had the weather been pleasant, one of the largest crowds that ever assembled in Southern Oregon would have present during the celebration. Many more visitors from Yreka would also have come. As it was, the assemblage was a very large and respectable one.

For the finest wedding cards and invitations, programmes, ball tickets, business cards, teacher's certificates of excellence, rewards of merit, and every description of plain and fancy printing, go to the TIMES office, where some of the best work in the State is done at away-down rates.

The party given at Ashland Friday evening in honor of the visitors from Yreka was much of a success. The music by Niles and Schofield was of the best, while the supper provided by "mine host" Houck could not have been excelled. The whole was a fit illustration of the genial hospitality for which Ashland is noted.

Is it Possible

That a remedy made of such common, simple plants as Hops, Buchu, Mandrake, Dandelion, &c., make so many and such marvelous and wonderful cures as Hop Bitters do? It must be, for when old and young, rich and poor, Pastor and Doctor, Lawyer and Editor, all testify to having been cured by them, we must believe and doubt no longer. See another column.—*Post.*

COMPLIMENTARY.—Pryor Eaton, proprietor of the fine horse "Bob Ingersoll," has received the following letter:

STOCKTON, Cal., April 20th.

MR. PRYOR EATON—Sir: My mare that I bred to your horse—"Bob Ingersoll"—has foaled, and I think I have the best colt on the San Joaquin. I think so much of it, and also have so much confidence in its speed, that I have offered to match it with any sucking colt bred in the district, to go at two or three years old, for five hundred dollars a side. I am breeding three this year to Fred Arnold's "Silver Thread" in Stockton for trotting gait; but from what Wm. Johnson says of his yearling by Bob I would stand a good chance to get trotting speed from him. If you had your horse here this year you could make a good season. Several have been anxious to have you come back. For my part, if you were here I would give you five mares. Please write and let me know how he is getting along and if you intend running him this fall after the season is over.

A GOOD THING.

German Syrup is the special prescription of Dr. A. Boschee, a celebrated German Physician, and is acknowledged to be one of the most fortunate discoveries in Medicine. It quickly cures Coughs, Colds and all Lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Beware of medicines of similar names, lately introduced. Boschee's German Syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Sample bottle, 10 cents.
