HOROSCOPES

By Holiday

THURSDAY, JANUARY 1, 2015

ARIES (March 21-April 19). Your favorite people are the ones who can express themselves sincerely and briefly. Your day will be filled with the other kind, so you'll do well to develop the conversational means of getting to the point.

TAURUS (April 20-May 20). Whoever told you that you have to be an expert before you start? Start now, and if you stick with it a while, you'll become an expert through the process.

GEMINI (May 21-June 21). You are reticent to stand out because that means you'll have to field a lot of mixed feelings about what you're doing. Be brave. Field the feedback. It's better to be envied than to be ignored.

CANCER (June 22-July 22). Maybe you'd prefer that the people in your life didn't make mistakes, but you do appreciate a person who can own up to responsibility when mistakes happen. In fact, this is how trust is built today.

LEO (July 23-Aug. 22). Since you are feeling particularly impressionable today, place yourself in the company of the people you want to be like and in the environments you aspire to inhabit regularly.

VIRGO (Aug. 23-Sept. 22). Planning will trump discipline. Think of your day like an obstacle course that you know well, and outfit yourself with all that's needed to sail through each hurdle.

LIBRA (Sept. 23-Oct. 23). If you needed an excuse to lie around and watch comedies on television, here it is: Sometimes it's enough just to take care that your spirit isn't broken.

SCORPIO (Oct. 24-Nov. 21). The best indicator of right and wrong will be your feelings. Right will probably feel difficult before and during but peaceful after. Wrong will feel easy before and during but terrible after.

SAGITTARIUS (Nov. 22-Dec. 21). You never have to seek new interests, because one naturally leads to another. If you find yourself searching, it's because you're not being curious enough about what's right in front of you.

CAPRICORN (Dec. 22-Jan. 19). Memories make up stories, but that doesn't mean your memories are mistaken. The stories, true or false, are yours. You remember them a certain way for a reason.

AQUARIUS (Jan. 20-Feb. 18). The games of the day will involve risk, and there's no way to get around this. If you're not risking, you're not playing, and if you're not playing, you're not having fun.

PISCES (Feb. 19-March 20). You'll be inspired to create today. This happens in part because wherever you go there are lovely things to look at. Appreciating beauty makes you beautiful.

TODAY'S BIRTHDAY (Jan. 1). This year you possess the rare gift of being able to see yourself as others see you. You'll cultivate a new image. In January, you'll sell an idea or product for top dollar. Your live-and-let-live attitude will attract colorful friends. In March, you'll keep your cool in the midst of upheaval, and for this reason you'll be made a leader. Leo and Libra people adore you. Your lucky numbers are: 40, 11, 22, 47 and 9.
