The Democratic Times.

Official Paper for Jackson, Josephine & Lake

FRIDAY APRIL 13, 1888.

ROSCOE CONKLING of New York, the great Republican statesman, is very sick and his life is in danger.

No better nomination than that of John M. Gearin could have been made. He is able, honest and energetic just the requisites of a first-class congressman.

HON. JOHN M. GEARIN, our next Congressman, will soon canvass the State, in behalf of the Democracy, and we hope that everybody will hear him. He is one of the best speakers in the State, who will draw good audiences wherever he goes.

THE President's message on the tariff has proved the most popular document that has emanated from the pen of a public man for many years. The Democrats will distribute 1,000,000 copies of it in the West alone during the next campaign.

JUDGE COGSWELL of Lake county has been nominated by the Democracy of Crook, Lake and Klamath counties for joint senator, and will no doubt be elected. He is well qualified for the place and will make a valuable member of the legislature.

JOHN BURNETT is not only a better lawyer than Judge Lord, but would also make a better supreme judge than he, for he has been tried and not found wanting. His record on the bench is a first-class one and the people would do well to place Mr. Burnett there again.

THE results of the municipal elections in the East are all very favorable, especially those in New York and New Jersey. In Albany, N. Y., the Democratic majority is the largest ever known. Coming events cast their shadows before them.

GOVERNOR PENNOYER has written a letter to Washington declining to make a fight for the U. S. Senatorship. He will no doubt accept the Democratic caucus nomination, if tendered him, as also will A. Bush, L. F. Grover and several other prominent and capable men that we could name.

As we expected, the Republican convention, which met at Portland last Wednesday, renominated Congressman Hermann and Judge Lord. The Democrats have great hopes of beating the former, as he has made a very poor record and they have pitted a strong man against him.

THE name of E. P. Pickens of Table Rock precinct is prominently mentioned in connection with the position of Representative on the Democratic ticket. He is a gentleman of ability and good judgment, having had considerable experience in public matters, and would do this section credit in the legislature.

THE apportionment made by the last legislature, is much fairer than the old one, and the Democracy has a first-class opportunity to elect a successor to Senator Dolph. Especial pains should be taken to nominate good men for representatives and no efforts spared to elect the nominees, no matter who they may be.

WE would not be surprised if John M. Gearin is elected to succeed Binger Hermann, so decided has the public desire become to select one who knows how to effect some salutary legislation and does not confine his efforts alone to introducing bills. There is nobody in Oregon who is better equipped for congressman than Mr. G.

THE Republican electoral ticket is a very weak one, and consists of these gentlemen: C. W. Fulton of Astoria, Wm. Kapus of Portland and Robt. McLean of Klamath county. The first named is a lawyer, the second a merchant, and the latter a preacher. Mr. McLean is the only one who can cope with any of their Democratic opponents.

THE Democracy of Oregon were never in a position to make as good a showing in an election as at this time. Harmony and confidence pervades our ranks, and every Democrat seems disposed to do what is in his power to insure the perpetuation of the national administration which has already done so much for the good of the country, and promises to do a great deal more.

FIFTEEN MONTHS of Democratic administration in Oregon has proved that it is much better for the people to be governed by those in sympathy with them than by officials who are the allies of the land rings which have had so much sway in Oregon. Our State never was better managed than now, and Governor Pennoyer and Treasurer Webb are entitled to much credit for their untiring and efficient efforts in behalf of the public.

THE Republicans of Jackson county

EDITORIAL NOTES.

GEN. SPRAGUE, the manufacturing king of Rhode Island, has announced himself in favor of Democratic administration, retrenchment and reform.

J. B. CONGLE, the well-known harness manufacturer and dealer, died at Portland Saturday night. He was taken with malarial fever the Sunday before, but got up the next day. On Tuesday he became worse and went to bed, never to arise again. His condition was not considered alarming until Friday night.

IT is said that Huntington's visit to Portland will be fruitful of good results in the service on the California & Oregon line. The scheme for running a lightning express between San Francisco and Portland has been revived, and a new train will be put on as soon as a sufficient number of cars can be obtained from the East.

THE *Oregonian* issues a double-sheet edition nearly every day and is replete with news from every portion of the world. It has also been treated to a complete new dress of type, and the stereotype process is now employed there. The *Oregonian* is pre-eminently the newspaper of the northwest coast, and has few superiors this side of the Rocky mountains. Its enterprise is deserving of the fullest success.

A STRONG effort is being made to secure Congressional legislation for the preservation of the Yellowstone National Park. The *Forest and Stream* (No. 40 Park Row, New York,) is taking active and energetic measures to have such a law passed. The editors have prepared a petition, which is sent out to anyone who will secure signatures to it and forward to his representatives in Washington. The *Forest and Stream* is also publishing the names of all signers of the petition, in order to show the extent of the public interest in the matter.

ACCORDING to the New York *Times*, Roscoe Conkling has given Cleveland a send off considerably glorious. The retired Senator is credited with saying: "President Cleveland's last message was the wisest, boldest and most patriotic evidences of statesmanship of recent years." Nor is this all he said of the same sort, according to the same paper. Imagine this Republican Stalwart of the days of Grant saying: "If the next presidential campaign is fought on the tariff issue, between Blaine and Cleveland, I am prepared to take the stump for Cleveland, believing that the Republican party cannot without violating its pledges and bringing reproach upon its name, refuse to reduce the taxes which weigh so heavily upon producers and consumers."

SPEAKING of the President's message on the wagon-road grants the Prineville *News* says: Like the notes of the Scotch bagpipes in the hopeless ears of the despairing garrison in India, these words will thrill the people with a hope they have not had for twenty years. And how much clearer and brighter they are when we lay them side by side with the cheating clause in Dolph's bill, "saving and preserving the rights of the corporation." One bill is for the people, one is for the corporations, one is the attempt of a Democratic administration to redeem its pledges and one is the attempt of a corporation tool to rivet our chains and pass our power over to thieves. And Dolph wants you to send him back to the Senate.

SENATOR MITCHELL has introduced a bill, making it unlawful for the postmaster-general to annul a contract which had been made for carrying mail until the contract had expired, unless the service is to be expedited in a different manner from that provided under contract. The bill is intended to protect contractors who make contracts with the government for carrying mail for four years along routes where the service has largely been increased by the growth of the country. The bill contemplates that persons who have a contract where the service is increased from one to four times a week, or three to six times a week, shall retain the contract and be paid additional in proportion to the amount of increased work.

JOSEPHINE COUNTY NEWS.

Health is good everywhere.

Immigrants are numerous and real-estate transfers ditto.

Mr. McCallister of Applegate has gone to Prineville, Crook county.

J. D. Hays has resigned his position at the Post Office Store in Grant's Pass.

Rev. Father Noel of Jacksonville will soon pay his flock in this county a visit.

Misses Kitty Thornton and Mollie Dowell have opened dressmaking parlors at Grant's Pass.

Many miners are cleaning up, but those having good water-rights are still busily engaged in piping.

Crops are growing finely and fruit prospects are good, but a little rain would not be amiss just now.

Dr. Kremer and J. A. Jennings, who attended the Democratic convention at Pendleton, have returned home, well pleased with the ticket nominated.

Remember the Democratic primaries, which will be held on the 14th inst., tomorrow. The convention will be held a week later, and will no doubt nominate the Mining ticket.

Smith & Conklin, Grant's Pass leading real-estate agents, are doing a good business and effecting quite a number of sales. They are quite energetic and thoroughly reliable.

The Republican ticket, nominated at Grant's Pass last Saturday, is not considered a strong one, and will be easily defeated if the Democrats put up the right kind of candidates.

G. E. Burgess of Williams creek was
n Jacksonville a few days since. His
ife's mother died in the East not long
ce, and one of his sons will leave
n to look after the estate.

W. Howard will not be a candidate
-election as county treasurer, which
ion he has filled so well. J. A.
ngs is favorbly talked of as his suc-

by a large majority.

A. T. Shoemake formerly of Williams creek, has located at Langlois, Curry Co.

At the Republican county convention the following ticket was nominated: For delegates to the state convention, H. B. Miller, J. A. Wilson, Charles Decker and C. O. Bigelow; representative, C. J. Howard; commissioners, S. Messenger and Jacob Hanseth; clerk, H. L. Benson; sheriff, J. C. Moss; school superintendent, W. A. Massie; assessor, T. F. Croxton; treasurer, T. P. Judson; surveyor, Alex. Watts; coroner, O. F. Topping.

A Democratic county convention is called to convene at Wilderville, on Saturday, April 21, at 1 o'clock P. M. for the purpose of nominating the following candidates for officers of Josephine county, viz: One representative, two commissioners, sheriff, clerk, treasurer, assessor, school superintendent, surveyor and coroner. The representation in the county convention will be as follows: Althouse, three delegates, Galice creek two; Jump-off-Joe, four; Kirbyville, six; Murphy, two; Slate creek, three; Grant's Pass, six; Waldo, three; Williams, four; Wolf Creek, three. The primaries for electing delegates to the county convention, will be held in the several precincts at 1 o'clock P. M., on April 14, 1888.

KLAMATH COUNTY ITEMS.

Representative Hermann has filed a petition with the postmaster-general asking for mail service through the newly settled country from Keno, on Klamath lake, to Mount Shasta, Siskiyou county, California, upon which line he has secured the establishment of postoffices at the ranches of Picard Ball and others.

County Treasurer Baldwin gives notice that he has funds on hand to pay the following warrants, protested prior to Jan. 1, 1887: 1265, 1302, 1324, 1327, 1297, 1288, 1289, 1264, 1253, 1343, 1355, 1333, 1371, 1369, 1358, 1262, 1347, 1292, 1300, 1266, 1361, 1364, 1197, 1158, 1325, 1348, 1308, 1320, 1294, 1301, 1299, 1328, 1329, 1291, 1290, 1307, 1321, 1317, 1314, 1335, 1339, 1338, 1334, 1309, 1319, 1322, 1326, 1330, 1298, 1360, 1171, 1295, 1387, 1389, 1400, 1402, 1405, 1287.

MEDFORD SQUIBS

Al. Hoskins of Albany talks of opening a barbershop here.

Our town is rapidly gaining in population and wealth.

Newcomers are numerous and they are constantly becoming more so.

Mrs. J. S. Howard paid her many friends in Jacksonville a visit this week.

J. S. Howard went to Portland to attend the Republican State convention.

E. J. Smillie has opened a variety store here and is doing a good business.

Miss F. E. Russ, lately from McMinnville, has opened a millinery shop here.

Rev. J. W. Miller will hold services at this place on Sunday, both morning and evening.

Ward Douglas is at Grant's Pass, where he is writing a large number of life insurance policies.

Medford now has two papers, but it is expected that one of them will suspend in a short time.

Mr. Sears spent Wednesday at the county seat. This place seems to have many attractions for him.

Business is better here now than it has been for a long time past, and our merchants are generally doing well.

If you want your property sold quickly, at the best figures, call on M. E. Beatty, at his real-estate office in Medford.

M. S. Damon, who has been selected as school clerk for this district, and commenced to discharge his duties last week.

Quite a number of real-estate transactions are reported in this place during the past few weeks. Our real-estate agents are consequently busy.

For sale at a bargain—a cosy dwelling house not far from the center of the town of Medford. For particulars enquire of R. T. Lawton, real-estate agent.

A. S. Jacobs has sold his half interest in the Riddle hotel building to a gentleman from Portland named Druck, for $3,000. We are informed that A. H. Sunderman negotiated the sale.

This place has been exercised considerably over a libel case that has found its way into the courts and in which a number of our citizens will figure as witnesses or otherwise.

John Morey, a brother-in-law of J. W. Short, who arrived from the East recently, has purchased the brick residence in the western end of town and the four acres connected therewith, paying $1,000 for the property.

CENTRAL POINT POINTERS.

Dr. J. Hinkle was at the county-seat one day this week. He has a large quantity of excellent property for sale and is disposing of considerable of it.

We are glad to learn that the health of G. W. Cooksey is improving, and hope to chronicle his complete restoration to health in the near future.

The May-day party, for the purpose of raising funds to furnish the new schoolhouse with appropriate furniture, will no doubt be very well attended and a great success. Everybody should attend and lend a helping hand.

It is a Curious Fact

That the body is now more susceptible to benefit from medicine than at any other season. Hence the importance of taking Hood's Sarsaparilla now, when it will do you the most good. It is really wonderful for purifying and enriching the blood, creating an appetite, and giving a healthy tone to the whole system. Be sure to get Hood's Sarsaparilla, which is peculiar to itself.

A Sound Legal Opinion.

E. Bainbridge Munday, Esq., County Attorney, Clay Co., Tex., says: "Have used Electric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life." Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: He positively believes he would have died, had it not been for Electric Bitters. This great remedy will ward off, as well as cure all Malaria Diseases, and for all Kidney, Liver and Stomach Disorders stands unequaled. Price 50c. and $1, at E. C. Brooks' Drug Store.

How $1 made Lucky John Trimble Tremble

John Trimble, No. 391 S. Broadway, is the most contented man in Aurora, Ills.; for he has in the bank $4,985, the profits of his investment of $1 in The Louisiana State Lottery. He was seen by an "Express" reporter and acknowledged that he had received the above amount and that it was his intention to use the money, he having lately purchased the cut stone business of Isaac Edwards. The ticket which drew the $5,000 prize, was number 73,185.—Aurora (Ills.) "Express," Jan. 20.

OLD and reliable Medicines are the best to depend upon. Acker's Blood Elixir has been prescribed for years for all impurities of the Blood. In every form of Scrofulous, Syphilitic or Mercurial diseases, it is invaluable. For Rheumatism, has no equal.

The Bonton Troupe.

This well known comedy company performed at the U. S. Hall in Jacksonville last Saturday evening to a good-sized audience. The entertainment was duly appreciated by all present, some portions thereof being especially clever. The music by their cornet band, which included several ladies, was also excellent. Another performance was announced for Sunday evening, but it was not attempted.

May Day Ball.

The undersigned will give a social party at his hall on Applegate on Tuesday, May 1st, to which everybody is invited. The best of music and supper will be provided. Tickets, including supper and horse feed, $2.00. O. E. Rose.
