ALLIES REPLY TO NOTE ON WAY TO WASHINGTON

London, Feb. 18.—The reply of the supreme allied council to President Wilson's note relative to the Adriatic settlement has been coded and forwarded to Washington by the American embassy here. Announcement has been made that the question of making public the text of the reply will rest with Mr. Wilson.

It is understood the communication sent to the American capital objects to a reopening of the Adriatic question. It is said to declare that circumstances existing when Premiers Lloyd-George, Nitti and Clemenceau framed the virtual ultimatum to Jugo-Slavia in January could not be ignored, and the president, it is asserted, is told the decisions reached last December, to which Mr. Wilson adhered in his note will be carried out if Mr. Wilson will indicate the way this may be done.

INVESTIGATION HAUSER CASE IS ORDERED MADE

Washington, Feb. 18. — Attorney General Palmer today directed the federal district attorney at Portland, Ore., to make a "full and thorough investigation" of the charges made against M. H. Houser of the United States grain corporation, by a federal grand jury at Spokane.

The attorney general's instructions were given at the request of Mr. Houser who, in a telegram to Mr. Palmer, declared he could "not permit the statement of the grand jury go unchallenged."

He requested that the United States attorney after his investigation give "equal publicity to his findings as were given to the insinuation in the report of the Spokane grand jury."
