Biager Herman, of Canonville, is general Agent for Douglas County.

That our folks here given the SENTINEL but little time and attention this week, will be evident to our readers after they have taken a glance at its columns.

The telegraph wires have been down all week, and, consequently, we are not able to lay before our readers anything from the seat of war later than the 22d inst.

THE REPORTER.—This new Jacksonvillian, published on the 4th *of next month*, made its appearance on *last Thursday*. In his Salutatory, he declares his intention of steering clear of the rocks that foundered his little craft at Corvallis. He says, "The *Reporter* will be a different paper in tone and temper from the Corvallis *Union*." After giving a kind of apologetic discourse on his former course, admitting it to have been what many called radical, he shows a spark of conscientiousness, when he says:

How much better and wiser would it have been had the public press of the country lent itself to conservatism, to reason, and to statesmanship—to justice and humanity—rather than to the work of demagogism, folly and fanaticism? Had it done so, how different might have been the condition and prospects of our unhappy country to-day?

With much apparent depression of spirits he adds:

We feel that the remedy for the present deplorable condition of the country has passed out of the stage of discussion and argument, of newspaper articles and stump speeches. We shall, therefore, lumber our columns but little with political discussion.

We fear the editor of the *Reporter* will never be able to carry any great amount of conservatism in this part of the country, and call himself Democratic, for he will soon find himself "between two fires."

For the life of us, we cannot see what the Democracy have made by swapping off the old and tried war-horse, who has never been accused of any tendency towards conservativeness, or for weakening or apologizing for his former course; for if Malone's statements be correct, they have a political organ that is afraid to dabble in politics.

Winter, in the most ample form ever vouchsafed to Southern Oregon, is now upon us. During the last week, we have had two freshets, raising some of the smaller streams higher than ever before known. A flood of water and tailings swept down Jackson Creek, taking away one house, containing a lot of carpenter tools. On Thursday night, considerable snow fell, since which time, the weather has been quite cold.

NO MAILS.—In consequence of the late freshets, the roads are almost impassable; we have, therefore, been almost entirely without mails this week. The Stage Company, however, have been doing all in their power to restore mail communication, for which they deserve the thanks of all.

The citizens of Polk county raised $1,352 87 in coin, as a bounty for their volunteers.

Married.

—In Jacksonville, at the residence of M. A. Brentano, by U. S. Hayden, J. P., Mr HENRY A. BURFENNING, to Miss JULIA A. HORWOOD, all of this county.

The wedded pair have our acknowledgments for favors, in the shape of wine and cake. May they live to celebrate many a Merry Christmas as their wedding anniversary, and may their every hope be crowned with success.

Died.

—On December 21st, at his residence, on Rogue River, SOLOMON MANWARREN, aged 34 years, 4 months, and 28 days. Deceased leaves a wife and two children to mourn his loss.

Indiana papers please copy.

INSTALLATION.—On the 27th inst., the following officers were installed in Warren Lodge, No. 10, F. & A. M. for the ensuing Masonic year: J. E. Ross, W. M; N. Langell, S. W; Jos. Satterfield, J. W; C. W. Savage, Sec; John Love, Sr. D; W. A. Owen, Jr. D.

ALEXANDER BLAKELEY, a practical printer, and formerly editor of the Eugene *Herald*, and Jacksonville *Sentinel*, is speaker of the House in the Idaho Legislature.—*Yreka Union.*

Howard Private

MEDICAL INSTITUTE

No. 532, Commercial Street,

San Francisco.

Consultation by Letter,

OR OTHERWISE, FREE.

ESTABLISHED for the cure of disease of a private nature. Such as Gonorrhea, Syphilis, Spermatorrhea, Mercurial Complaint, Gleet, Stricture, Seminal Weakness, Impotency, Diseases of the Urinary, Fever and Ague, Skin diseases, Seminal Diseases, and all disease brought on imprudent persons by accident.

THE HOWARD INSTITUTE

is under the immediate charge of DR. P. HOWARD, who has become justly celebrated by his successful treatment of diseases of the above nature.

Without the use of Mercury in any form.

In re-opening this old and popular institute once more to the people of the Pacific Coast, the Doctor is governed not only by a desire to afford an asylum for the afflicted, but to SUPPRESS QUACKERY, which has of late so boldly and impudently come before the public. They claim to have certificates of remarkable cures, or some before unheard of distinctions, of foreign testimony, of European education, and European remedies; thus misleading the afflicted, who are not aware of the utter uselessness of foreign remedies and practice, when applied to diseases in this variable climate. Of such pretenders the Doctor warns those seeking medical relief to beware, for they seek but to deceive you and ruin your health.

To his old patrons and the public in general the Doctor would say: They can rely on his known skill and integrity, as heretofore, with every assurance of a speedy and permanent cure, in all possible cases.

The Doctor's charges are moderate, and suited to the means of the patient.

THE HOWARD INSTITUTE

Is located in the center of the city, and is fitted up with every convenience for the comfort of the afflicted. The patient will here find everything to his wish, and can *Enter and Leave the Institute without fear of observation.*

Persons residing in the interior, who may prefer being Cured at Home, by sending a careful description of their disease, together with a statement of the length of time they have been afflicted, can have their medicine carefully put up and sent to any part of the Pacific Coast by Express or mail, together with full and explicit directions so as to enable them to bring about a speedy and permanent cure, without entailing upon them the necessity of visiting the city.

All letters should be addressed, Dr. P. Howard, Howard Institute, No. 532, Commercial Street, San Francisco, California.

The Doctor himself opens and answers all letters, and correspondents can rely on the strictest secrecy.

Consultation by letter or otherwise, free.

TO THE LADIES!

When a Female is in trouble, of whatever nature, or afflicted with a disease such as weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, derangement of the digestive functions, general debility, all diseases of the Womb, hysteria, sterility, and all other diseases peculiar to females, they should go at once, or write, to Dr. Howard, at his Medical Institute. Let no false delicacy prevent you, but apply immediately, and save yourself from painful suffering, and premature death.

The Doctor's office is so arranged that he can be consulted without fear of discovery.

Dr. Howard's Female Pills

Are universally acknowledged to be the only compound to be depended upon for the removal of all cases of suppuse or irregularity, or of obstructions of whatever nature and of however long standing.

Ladies having reason to believe they are pregnant, should be careful to avoid using them, as they would surely cause a miscarriage. They will be forwarded to any part of the Pacific Coast, upon the receipt of $5 per box.

CONSULTATION BY LETTER, OR OTHERWISE. FREE.

All letters must be addressed to DR. P. HOWARD, Howard Institute, No. 532, Commercial Street, San Francisco, California. sep17m3
