Religious Notices.

Services at the Methodist Church to morrow at 11 o'clock.

Rev. Father Blanchet will hold services at Catholic Church to-morrow at the usual hour.

JOSEPHINE COUNTY ITEMS.—We are indebted to Mr. Colwell, the Waldo mail contracter, for the following:

On Friday last a fire occurred in the store of Mr. A. B. McIlwain, of Waldo, from the boiling over of a pot of asphaltum. After considerable effort the fire was put out, but the loss sustained would probably reach $1,000.

A very heavy rain has fallen in Josephine county. All the small streams were much swollen and the miners had plenty of water.

RESIGNED.—Dr. E. S. Belden, late Surgeon at Fort Klamath, passed through town on Wednesday on his way to Portland to receive his discharge from the service. Dr. B. is a young gentleman of thorough medical education, and leaves the service because there is so little room in it for professional advancement. He intends locating at Marysville, and will be an acquisition to the society of that place.

MELANCHOLY NEWS.—By a telegram from Santa Clara, Cal., to Hon. P. P. Prim, it is learned that Rev. M N. Stearns, brother of Mr. David Stearns of Phœnix, and father-in-law of Judge Prim, has been attacked by small-pox. As the disease is very malignant in that section, his friends are naturally very anxious about him, and his recovery only hoped for.

BEAUTIFUL RAINBOW.—On Wednesday morning the western horizon was spanned by the most perfect and beautiful rainbow we have ever seen The old couplet which says, "A bow in the morning is the sailor's warning, but a bow at night is a sailor's delight" was completely belied, as after a slight shower the day was perfectly calm and fine.

DEATH FROM SMALL-POX.—On Thursday evening, Joseph Martin died from this terrible disease. His recovery had not been expected for several days, and when death relieved him he was a shocking mass of corruption He was buried during Thursday night with every possible precaution, and may we never again witness such a burial.

JACK STRATMAN—It is said, has gone to Washington to receive a good appointment from President Grant. Before leaving he sent us a large bundle of pictorials and Eastern papers. Parties sending orders to him can procure all the periodicals and papers at publishers rates.

DESTRUCTIVE FIRE AT ASHLAND.—On Saturday night last a fire broke out at Ashland, which destroyed the marble shop, the shoe shop, an office belonging to A. V. Gillette and about 10,000 feet of lumber belonging to Blake & Helman. The loss is estimated at $2,500 to $3,000.

MASONIC ELECTION.—On Wednesday evening an election held by Warren Lodge, F. and A. M., resulted in choosing the following officers: W. M., Alex. Martin; S. W., J. E. Ross; I. W. J. B. Coats; Treas., J. S. Drum; Sec'y. C. W. Savage; Tyler, R. S. Dunlap.

STOP THAT COUGHING!—Go to Ryan's and get a bottle of Wistar's cough syrup. We can reccommend it as an excellent remedy.

LARGE HOG.—H. Breitbarth of this place, sold a hog a day or two since only fifteen months old, that weighed over five hundred pounds.

ANOTHER CASE.—A colored man named Ike, is reported down with the small-pox. He is some distance out of town and properly cared for.

To Heads of Families.—Are your little ones subject to croup? If so, don't fail to use NEWELL'S PULMONARY SYRUP. A few doses given in time MAY SAVE THE LIFE OF A DARLING CHILD. Do not fail to have it on hand, if you would be safe and free from anxiety.

"In Time of Peace Prepare for War."—So get a bottle of DR. E. COOPER'S UNIVERSAL MAGNETIC BALM, an unequalled preparation for Dysentery, Diarrhœa and Cramp. The instantaneous relief of Burns, Bruises and Sprains.

Electro Silicon.—This curious and valuable substance is confidently claimed to be the BEST ARTICLE ever discovered for cleaning and polishing Gold, Silver and Plated Ware, and all smooth metallic surfaces, of whatever description, including Kitchen utensils of tin, copper, brass, steel, etc.

AMERICAN
WALTHAM WATCHES.
PROOF OF THEIR SUPERIORITY.
Pennsylvania Railroad Co.
OFFICE OF THE GEN. SUPERINTENDENT, ALTOONA, PA., Dec. 15, 1867.
GENTLEMEN: The watches manufactured by you have been in use on this Railroad for several years by our engine-men, to whom we furnish watches as part of our equipment. There are now some THREE HUNDRED OF THEM CARRIED ON OUR LINE; and we consider them GOOD AND RELIABLE TIMEKEEPERS. Indeed, I have great satisfaction in saying YOUR WATCHES GIVE US LESS TROUBLE, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware we formerly trusted to those of English manufacture, of acknowledged good reputation, but as a class they never kept time as correctly, nor have they done as good service as yours.
In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.
EDWARD WILLIAMS, Gen. Superintendent, American Watch Company, Waltham.

N. Y. CENTRAL RAILROAD.
LOCOMOTIVE DEP'T, WESTERN DIVISION, ROCHESTER, Dec. 24, 1868.
GENTLEMEN: I have no hesitation in saying that I believe that the great majority of locomotive engineers have found by experience that WALTHAM WATCHES are the most satisfactory of any for their uses. They run with the greatest accuracy and steadiness, notwithstanding the rough riding of an engine, and, as I have never known one to wear out, they must be durable. I hope to see the time when railway companies will generally adopt your watches, and furnish them to all engineers and conductors. In my opinion it would greatly tend to promote regularity and safety. Yours respectfully,
CHARLES WILSON, G. Chief Engineer, Brotherhood of Locomotive Engineers.
American Watch Company, Waltham.
