ADAMS & CO.'S EXPRESS.

OUR Express leaves Portland, Oregon, on the 1st and 16th, by Pacific Mail Steamship Co's steamers, to
California, the Atlantic States and Europe.

We have our own offices in all the principal cities and towns in California, and forward matter to all parts of the state, always accompanied by *Faithful Messengers.*

The treasure intrusted to us to the Philadelphia mint has always arrived there previous to that made by any other company. Our rates are lower than are asked by any other house with the same security.

We also run a regular Express semi-monthly to England, via the Panama and Southampton Co's steamships, and from Chagres by the West India mail steamers.

Our Special Express, in charge of messengers of Napoleon Bonaparte, also by constantly traveling the Isthmus, gives information and facilities not possessed by any other persons.

Have our own offices and Express lines in all parts of the Eastern, Middle, Southern and Western States, thus giving direct connections to Oregon, and a guarantee to our patrons.
