CLASSIFIED ADVERTISING

(Min. 4 lines)	*Weekdays	**Sundays
per line 1 time	.35	.35
per line 3 times	.90	.80
per line 6 times	1.20	1.20
per line 1 month	3.60	(incl Sun.)

* Classified ads will be run in both papers to give advertisers the advantages of the tremendous pulling power of 35,000 combined circulations.

** When an ad is ordered three or six times and a Sunday issue is included (for example Friday Saturday, Sunday) the lower Sunday rates apply because only the Statesman publishes Sundays.

Classified ads will start in the morning Oregon Statesman, conclude in the evening Capital Journal.—But ads will be accepted for Sunday Statesman only.

The deadline for classified ads is 1:00 p.m. the day before publication. Emergency ads and small line ads received after 1:00 p.m. may be placed in the "Too Late To Classify" column for the following morning.

Ads for Monday papers must be in by 5 P. M. Saturday.

The Statesman-Journal Newspapers reserves the right to reject questionable advertising. It further reserves the right to place all advertising under the proper classification.

The Statesman-Journal Newspapers assumes no financial responsibility for errors which may appear in advertisements published in its columns and in cases where this paper is at fault will reprint that part of an advertisement in which the typographical mistake occurs.

A "Blind" Ad—an ad containing a Statesman-Journal Newspapers box number for an address—is for the protection of the advertisers and must therefore be answered by letter. The Statesman-Journal Newspapers are not at liberty to divulge information as to the identity of an advertiser using a "Blind" ad.
