A SURGICAL OPERATION.

Concerning the little son of James Bay of Minerva who was taken to Eugene last week for treatment, Mr Bay writes on the 12th inst.

On examination it was found that nearly the entire shin bone was diseased and after a consultation the doctors decided to remove nearly the whole bone. They left just a little strip of sound bone down the out side of the leg to the ankle. It was a big job and took Drs Paine, Kuykendall and Prentice over three hours to perform the operation. It was a great surprise to me to see it done so well. Today they dressed the leg and there was no sign of inflamation. I want to say that such surgery is simply great. I don't think it could have been done better anywhese.

ANAEMIA

Is a disease met with among young women principally. It is very common and is a forerunner of consumption. It is a disease of the blood. There is only a small quantity of blood in the system, and it is of a poor quality. The symptoms of the disease are quite numerous. They are readily discerned. If the progress of the disease is not checked death from consumption or some other disease is inevitable. HUDYAN will check its progress. HUDYAN will enrich the blood and make the patient strong. HUDYAN is for women as well as men. HUDYAN is a vegetable remedy, and it is harmless in its effect. It contains no iron to cause the teeth to decay. If you are suffering you should take HUDYAN now and then note the change in your condition. Study your symptoms carefully. These are your symptoms. Take HUDYAN now and they will disappear.

YOUR WEAK POINTS ARE:

1. CONSTANT HEADACHE—THE feeling is as though the head were going to burst from too much pressure. HUDYAN, by its action on the blood, will equalize the circulation of blood and the headache will disappear.

2-2. SUNKEN EYEBALLS AND DARK RINGS BENEATH THE EYES. HUDYAN will cause the rings to disappear and make the eyes bright.

3-3. PALE CHEEKS, from the poor quality of the blood, it being almost devoid of red coloring matter. HUDYAN will enrich the blood and cause the cheeks to become bright and rosy.

4. WEAKNESS IN THE HEART. This is the most pronounced symptom. The heart becomes weak and there is a constant sinking feeling around it. HUDYAN will make the heart strong and cause it to beat regularly, and the sinking feeling will disappear.

5. FEELING OF WEIGHT IN THE STOMACH AND INDIGESTION. This is due to the fact that the food in the stomach is not acted upon by healthy blood; therefore it is not properly digested. This leads to habitual constipation. HUDYAN will cause the food to be properly digested, improve the appetite and relieve the constipation. HUDYAN will relieve all the above symptoms and make you well. HUDYAN is for you. It is for men and women. After you are cured tell other women what HUDYAN has done for you. There are many other sufferers and they also wish to be cured. HUDYAN can be procured of druggists for 50c per package, or six packages for $2.50. If your druggist does not keep it send direct to the Hudyan Remedy Co., San Francisco, or Los Angeles, Cal. Call upon the HUDYAN doctors. Consultation is free. You may call upon the doctors or write, as you desire. Address
