The "Queen" Burned at Sea.

Seattle, Wash., Feb. 29.—In a tempestuous sea off a treacherous coast a horror was barely averted Saturday morning.

The Pacific Coast Steamship Company's vessel Queen, Capt. Cousins, took fire in the social hall of the ship at 4:30 o'clock in the morning and but for the three hours' desperate fighting of the officers, crew and passengers of the boat more than 200 lives would undoubtedly have been lost. The tragedy would have been one of "a fire at sea."

As it is, fourteen lives were lost by drowning and by fire and smoke.

When the fire was discovered the master of the vessel assembled every soul on deck. Order was maintained and as the fire call had been sounded before this, the ship's crew was already at work with streams directed on the fierce flames raging in the saloon.

Fearing a panic and believing lifeboats could live in the nasty, choppy seas running, Capt. Cousins ordered all boats launched. Three of these capsized. The first boat rode safely, the second capsized, but all occupants were rescued except Miss Steiner of Cle Elum, Wash. Another boat also capsized after riding the sea for more than ten minutes, and at the time was half a mile from the ship. Other small boats rescued all but five of the unfortunates.

The third boat to be lowered capsized before it reached the water. A line broke from the davit and spilled four sailors, the only occupants, into the ocean. All were washed under the ship and drowned.

Mrs. E. Adams, an aged woman of Seattle, died of fright and exposure an hour after the vessel was discovered ablaze.

Proper Treatment of Pneumonia.

Pneumonia is to dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Sanders, Ala., who also is a druggist, says of it: "I have been selling Chamberlain's Cough Remedy and prescribing it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by R. S. Knowlton.

Millionaires Meet Death In Auto Race.

Havana, March 1.—James L. Breese, a millionaire artist-automobilist from New York, was seriously injured, and Honore Lain, who was at one time threatened with death for making public certain letters from General Weyler, saying the latter had prepared the Havana harbor for the battleship Maine, were fatally injured today in an exciting automobile race between several millinnaire American and Cuban contestants, including William K. Vanderbilt and members of W. Seward Webb's family.

A Favorite Remedy for Babies.

Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by R. S. Knowlton.

American Battleships in Collision

Washington, March 3—Admiral Baker cables from Guantanmo: While making the passage from Guantanmo to Pensacola, the Missouri's steering apparatus broke and the disabled vessel collided with the Illinois, damaging the port propeller of the latter with slight injury to herself. The Illinois has been ordered to New York. Captain Cowles, the President's brother-in-law is in command of the Missouri.

Inflammatory Rheumatism cured.

Wm. Shaffer, a brakeman of Denison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by R. S. Knowlton.

What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. LIVER TROUBLES

"I find Thedford's Black-Draught a good medicine for all or disease. It cost me my on after be had spent $100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Thedford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.

"I used Thedford's Black-Draught for liver and kidney complaints and found nothing to excel it."—WILLIAM COFFMAN, Marblehead, Ill.

Bedridden, alone and destitute. Such, in brief was the condition of an old soldier by name of J. J. Havens, Nersailles, O. For years he was troubled with kidney disease and neither doctors or medicines gave him relief. At length he tried Electric Bitters. It put him on his feet again in short order and now he testifies: "I'm on the road to complete recovery." Best on earth for liver and kidney troubles and all forms of stomach and bowel complaints. Only 50c. Guaranteed by R. S. Knowlton, Druggist.

W. H. DEMPSTER,

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which falls of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Kauble, of Nevada, O., says: I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me.

Kodol Digests What You Eat
