LOCAL AND OTHER INTELLIGENCE.

EVERYBODY and their friends are expected at the fair grounds, just out of town, July 5th. The committee have spared no pains to make it pleasant for the guests, so come along. Seats to accommodate a thousand and more. Wells on the ground besides Hathaway's soda fountain. Conley orates, Miss Bell Bishop reads the declaration, and Miss Lucy Matlock represents the Goddess of Liberty, children represent States, and we will represent the EAST OREGONIAN. This is the last invite, so accept and come out.

HIGH WATER has interrupted communication on the river. The cars got spilled off the trestle work between Celilo and the Dalles this week; no great damage done. Water is over a great share of the railroad between the two places. No boats run now above the Dalles. Water higher in the Columbia than for years and years. When it will stop rising no one knows.

The word "boom" has passed in triumph into the political vocabulary of the country, and now still another word has been adopted in similar fashion to meet an additional want. It designates the outrageous delegate. He is henceforth to be known as a "kicker." The more furiously he exerts himself the more of a "kicker" he is. The word is well chosen.

MRS ALEXANDER was the happy recipient, this week, of a wedding present from Mr. Koch, of San Francisco. The donor had an eye to business, as usual—one dozen silver knives and forks, one dozen table spoons, one dozen tea spoons and a carving knife and fork. Of course Mrs. Alexander values them highly and her numerous friends congratulate her.

MOTT FARROW has solved the problem and has demonstrated the fact that timber can be driven down the river. He has now the largest quantity of poles, posts, rails and wood we ever saw, in any one pile, on the river bank about a mile above town. These are all for sale. Now is the time to procure fencing and wood and don't you forget it.

THE CITY of Portland are prosecuting the employers of the Oregon Railroad Company Limited, who were working on the city levee. The Company claim the right to use the premises for a depot and railroad—the city objects. There will be a feast for lawyers, for each party know they are right and will fight to maintain their rights.

OUR EXCUSES.—Owing to the high water our paper has not arrived, and as a matter of course some of the advertisements will fail to appear on the outside which would have appeared had the paper arrived. The stages are overloaded and although our paper was sent by express it is still lying at the Dalles.

THOS. H. BRENTS, late delegate to Congress, from Washington Territory, has returned to Walla Walla. Tom is a good man but he is rather of an inferior order as a legislator. Many persons about Walla Walla and this place, who are in litigation, will be glad to see him, we among the number.

THE *Pendleton Tribune* is around. John Wilson occupies the greater part of it reviewing how he got into and get out of the penitentiary. It is a splendid political paper and will no doubt make many turn out and vote for Hancock and English who would otherwise stay at home.

One of the most enjoyable social parties of the season came off under the auspices of Pauline Rebecca Degree Lodge, No 32, at I. O. O. F Hall on Thursday eve, a week Cakes, strawberries and ice cream, first course; music and dancing as a desert. Everybody happy.

ISRAEL'S RED STORE is the attraction of the day, but if you want to see Hathaway at his best, call on him at the fair ground next Monday. He intends establishing a telephone between his store and the grounds and one can get all he or she desires in his line.

Wanted.—Situation on a ranch to keep house for a single man, by a man and wife; the woman is a good cook and a good working housekeeper; either in Weston, Pendleton or Centerville. Apply to JOHN SMITH, San Francisco Bakery, Dalles, Or.

Page-Tustin has gone to the State Fair, and Dr. Clements of Pilot Rock is in town, and General Turner is around collecting in little bills due the E. O. Don't let him pass you if you owe anything; he is bashful and wants to be encouraged.

WE call attention to the ad. under "New To-Day" of W. H. Colton. He is just from California and means business. This is for all the Butter Creek and Willow Creek readers. Don't forget to read his ad. about mills.

MISS LOU BLATCHLEY was taken with violent spasms last Wednesday eve and suffered for 24 hours. She is getting better at this writing. Dr.'s Hall and Eagan attended her.

STATE FAIR.—We are under obligations to the managers of the Oregon State Fair, which commences on next Thursday, for tickets. They do not forget the printer.

NOTICE.—Mrs Jennie Fuson, the blind vocalist and musician will be in town and give one of her very pleasing entertainments to-night, July 3d, 1880.

I. Hathaway paid the 4th of July Committee $27 16 for the privilege of selling candies, ice-cream, etc., etc., on the fair grounds next 5th of July.

DR. EGAN, of Weston, visited our town last Monday. He looks hale and hearty. His numerous friends were congratulating him on every corner.

Services at Milarkey's Hall on the 1st Sunday of each month at 4 o'clock P. M., by Rev. Father L. L. Conrardy of the Catholic Church.

PERSONAL.—Coly Marshall, who has had such a lingering sickness is slowly recovering.

CENSUS.—The census of this place shows 730 souls.

FIRST CLASS TAILORING.—Frank Morgan, our new enterprising tailor, is now on hand to do first-class work at reasonable prices. Parties may call whenever his services is required, Cleaning and repairing neatly done.

CENTERVILLE, JUNE 25th, 1880.

Samuel Deric, who has been living near the Gear Springs, in this county, committed suicide by taking opium. He died this morning. We know nothing of the cause.
R. M. GRASTY.

TELEPHONE.—Before we issue our next paper we expect to be in communication with Umatilla and the balance of the world. The poles for the telephone are distributed and the greatest portion of them set. The wire is now stretched from Umatilla to Prospect, and but a few days will elapse till Lot Livermore can give you all the news.

To Whom it May Concern.

PORTLAND, December 19, 1876.

Dr. J. H. Quisenor has been working several months in my office, where he has done good and skillful work. I would recommend him to whomsoever may desire the services of a dentist.

(Signed.) J. G. GLENN.

Ladies! Don't Read This.—The New Home sewing machine, to be found at Webb's store, tin and hardware emporium, is conceded by everybody and their friends to be the very best sewing machine manufactured. Husbands regret to see their wives, and bachelors their sweethearts, cast a longing, lingering look at them, for they know too well it means a purchase of a brand new machine. Husbands, surprise your wives by buying one or they will surprise you by getting one on credit.

INDIAN OUTRAGE.—We are informed that Indians have commenced their devilry on the north side of the Columbia. On the Yakima, a few miles above its mouth, a house, barn and hay stacks were burned. Whether it is a regular marauding party or whether it is the harbinger of another Indian war, we are unable to learn. It is reported that the troops at Walla Walla have been ordered to the Yakima, which would lead one to think that trouble was anticipated.

HEPPNER, June 29, 1880.

ED. "E. O."—The weather has been remarkably warm for the last few days, thermometer getting up into the nineties.... Dave Herrin and wife have gone below to attend the State Fair.... Mr. Myers exhibited to the people of Heppner his science riding bucking horses. He had a large and appreciative audience.... Mr. E. Adkins has nearly completed his new house and is looking around for a bird to put in the cage.... An effort is being made to have a social hop on the 4th.... People are talking about starting a street-sprinkler; it is much needed.... The wife of J. A. Matson presented him with a fine girl a day or two ago and of course he is very proud of the present.... Geo. Ayers was married to a young lady of Grant county a few days ago.... Our census shows about 320 persons in town.
OPTIC.

A CHAPTER OF ACCIDENTS.—A Shepherd was so unfortunate, last Saturday, as to be thrown from his horse, near Pilot Rock, dislocating his knee and splitting the knee cap. Dr. Whitcomb attends him and he is getting along finely. Same day, in Pendleton, a little boy by name.... was playing on a pile of lumber, when he fell and broke his leg just above the ankle. He was taken home and Dr. Hall and Pratt attended him. The same evening as Dick Steward and Deaf Henry were leaving town, they were thrown from their wagon. Deaf Henry was severely hurt, having a large portion of his scalp torn loose from the eye to the hair. Dick came out better receiving a cut over the eye. Dr. Kremer attended to the former Dr. Somerville to the latter, who went home next day; Henry still in town unable to travel. Same evening, Abe Jacobson, while engaged with the hose of the pump, received a severe blow on his arm. Dr. Harris attended to his case. If there were any more accidents about town on that day, we have not heard of them.

THE

OREGON KIDNEY TEA.

Read the following testimonials, not from persons 2,000 miles away, whom no one knows, but from well-known and trustworthy citizens of Oregon, whose names, written with their own hands, can be seen at our office:

Independence, Oregon, December 13, 1880.

Both myself and wife have been for some years afflicted with disease of the Kidneys, and had tried many remedies without obtaining any permanent relief. About three months ago we were induced to try a package of the **Oregon Kidney Tea**, which has supported entirely relieved us, and we are taking a few weeks we have left no symptoms of the disease. We can heartily recommend to others similarly afflicted, as we believe it will do all that is claimed for it.
M. L. WRIGHT.

Astoria, Oregon, December 28, 1879.

I take pleasure in certifying to the merits of the **Oregon Kidney Tea**. For the past three years I have been suffering from Kidney trouble, and during the time have tried nearly every kind of Kidney medicine in the market, almost without any relief. Having heard the Oregon Kidney Tea possessed wonderful properties, I purchased a package, and from the first one obtained relief, and by the use of the one package feel completely cured.
