From thoughtful consideration of the labors imposed upon our District Attorney, or some other cause, the prisoners confined in the Wasco jail at The Dalles made a strike for liberty and the mountains on last Saturday night. They were six in number and at latest advices were still at large.

The names of the prisoners are as follows: R. Gleason, common known as "Sage Brush Charley," bound over to the Circuit Court for larceny in a case at Prineville; John Fagan, robbery from the person; Andrew St. Martin (half-blood Indian) larceny from a saloon at Cascades Locks; Frank Smith, larceny of a horse; Tom Hite, larceny from a dwelling on Mitchell Milercreek; Frank Daily, assault with intent to kill. They had been in jail some time, and had only to wait a little over two weeks before their trials would have taken place for the crimes charged. This was merely their last opportunity, and they took advantage of it.

Ward's Dramatic Combination from Strai's Opera House, Walla Walla have been giving some of their performances here during Court and will until after. They have met with astonishing success, playing to full houses so far and as their plays are of the choicest character and different every night will leave every one well pleased. Owing to the lack of space we are unable to do this troup justice.

Dance after the performance.

East rn Tourists

Probable more Eastern tourists have visited this Northwest Coast during the present season than ever before, and they all bear testimony to our unsurpassed natural advantages and great resources and are enthusiastic in regard to our future when railroads shall have superseded the tedious ocean steamers and population come pouring in. The proprietors of the Oregon Kidney Tea are equally sanguine of its future, for it has thus far cured every case of back ache or disease of the kidneys and urinary organs that it has been tried on. See everywhere.

There are now in and on the way to the North river settlement, at least fifty families, mostly from California. They represent a capital of at least $150,000, are building mills, opening farms, concentrate all their energies, and will soon build up a powerful community. They come much after the style of colonists, but have no colonist rules nor regulations. They are the right sort of people to prosper.

Ohwes, the Indian who, it will be remembered, was indicted at the spring term of Court for the murder of Wa Lishan and wife on the reservation and who has since been confined in jail was on motion of the District Attorney discharged from custody on Wednesday last the evidence being insufficient to support the indictment.

I. Hathaway has returned from the east and is well satisfied having taken in his old stamping ground and while so doing had the opportunity of buying some splendid butter which is for sale at his Red Front. He will also supply his patrons with nuts, candy, stationery, etc.

Mike Emrich from Milton precinct was taken with a fit while on the street on Tuesday last and was removed to the Ben Ton Hotel where he has been under medical treatment. We understand he has since recovered from the effects of his attack.

Hardware, etc. at G. W. Webb's. Go and see him and while viewing his stock of goods you will be sure to notice some article which you cannot do without. He has the most complete stock of hardware to be found in Eastern Oregon.

Maud S has made the fastest time on record as follows: First quarter in 31 seconds, second 26¾, third 31¼, fourth 34¾, and the mile 2:10¾. It was a very unfavorable day and we fully expect her to soon be reported under 2:10.

The lack of news in issue of this week is due to the fact of our being busily engaged in Court and therefore unable to "truncate." We hope to do better in the future.

We call strict attention to the fact that it is useless to send East for your printing as our type and new paper stock is far superior in quality than it has been heretofore.

A much larger number are in attendance this term of court than any previous. Mr. Boon of Milton our agent is down.

John Day miners have arrived for the winter and are not disappointed with their summer's work. In the spring all will return for their reward.

Yum, Yum, Yum, plenty of fun, moon light walks, are creating talk. The "bars" beat the gate all to nothing for swinging.

A SAD BEREAVEMENT.—On Monday last, as Mrs Geo. W. Sanderson, who lives on Dry Creek, was lifting a boiler from the stove her wrists gave out and the water spilled over her only child, who was playing on a rug near the stove. The child, who was a bright, healthy boy, and the last of four children, lingered along for a short time and then died. The doctor who was in attendance attributes the death more to fright than from the effects of the burns. The family are inconsolable, and tears are expressed for the safety of Mrs. Sanderson's life.—*W. W. Statesman.*

A wild man was recently discovered on the shore of Pon d'Oreille lake who had clothes nearly all torn off, and wanted to be ferried over the river. According to all accounts he had not partaken of food for seven days, and hunger was probably the cause of his strange hallucination. He was taken to the ferry house, and there provided with something to eat.

The E. O job presses will fit you out with your winter supplies of letter-heads, bill-heads, cards, envelopes, etc., etc., at astonishingly low rates, and in exquisite style. Call and see samples of work done for others.

Our town is incorporated and it will soon be in order to elect municipal officers. For Mayor we nominate G. W Webb, Esq.—who seconds the nomination?

FOUND.—One pair of rubber overshoes. Owner call at this office pay charges and get them.

Relative Progress.

The census returns show the progress of the several states in population during the last decade to be in the order named below:

1—Colorado	20—Mississippi.
2—Nebraska.	21—Iowa.
3—Kansas.	22—Tennessee.
4—Texas.	23—Wisconsin.
5—Minnesota.	24 Georgia.
6—Oregon.	25—Indiana.
7—West V'ginia	26—Massachusetts.
8—Florida.	27—Illinois.

—*Oregonian.*

The legal fraternity in attendance upon our Court are very numerous in accordance with the large amount of business on the docket. From abroad we note Messrs L A Stearns of Baker City; W Lair Hill of The Dalles; B L Sharpstein, J H Lowater, G B Upton, O F Stricklin and N T Caton, of Walla Walla; J H Reed and Brunch, of Portland; M Baker, of LeGrande; W S Crawford, S V Knox and A Meschem of Weston; G W Rea, of Heppner; our own town being represented by Messrs Everts & Walker, Tustin & Bell, Conley & Lessure, Turner & Cox, J A Guyer and Dist. Attorney D W Bailey.

This is the Democratic dog, body and tail, as it appears in Congress: The Northern Democrats with their 2,800,000 votes have eighteen United States Senators and fifty four Members of Congress. The Southern Democrats with 1,400,000 votes (only one half as many as the North) have thirty Senators and one hundred and one Members of Congress.—*Tribune, 224 inst.*

Ed. has missed his mark again, poor fellow, he now allows the Democrats two votes in the North to one in the South. A short time while back he was "yawping" over the pretense (false as it was) that the bulk of their votes were in the South. The Republicans should hire a man to run the consistency part of the machine, and then choke off the machine.

Mrs. J. R. Turner has been very sick with typhoid fever for several days but is convalescent.

A nice shower was welcome the first part of the week laying the dust and making the weather very pleasant.

The tailor has moved into new quarters on Main Street adding one more business to this part of Pendleton.

To the Public.

When in the course of human events it becomes necessary for a man to meet his obligations, it also and at the same time becomes necessary for him to have the wherewithal with which to meet them. Therefore my friends and fellow citizens this is to give you notice that I must have a settlement of my accounts or blood will flow. But as I am a man of peace I hope every one knowing himself to be indebted to me will come forward and settle up, thus avoiding the latter alternative. I MEAN BUSINESS. G. W. WEBB.
