The democratic primaries were held throughout this county, last Saturday; next Saturday the delegates meet in this city and go through the formality of naming a ticket. From now on we will hear the local "grind," "Harmony in the Democratic Convention." But that old headline is now almost worn out and we should look for something new.

"Pap" Jamieson of Portland, one of the pioneer railroad conductors of the coast, was in Albany yesterday morning going to Roseburg on the noon train. The veteran is getting old and somewhat feeble, but he still enjoys a jaunt on the cars, and delights to visit with the knights of the punch who are doing the work he laid down long ago. Though snows of many winters are resting on his head, he bears himself like a man who has yet a long time to enjoy life, and he does thoroughly enjoy it.—Albany Herald

Marion Hanks entered into a contract this week with the Klamath Canal Company for the sale of his 385 acre ranch, located on Upper Klamath lake, for which, if taken, he is to receive $12,000. The contract holds good for three years, with interest at the rate of 5 per cent per annum to be paid annually, commencing July 1 of the present year. The land is on the lake and river front, and being on the site of the head of the present proposed canal, it is considered more valuable for that than for other purposes.—Klamath Falls Express.

Poor, old "Pap" Morrow, manager of the "Micks," is all sorrow and tears, not because he has doubt of having a winning aggregation, but because he really believes that bad luck will follow him for seasons to come. "Talk about your luck," quoth "Pap;" that Frenchman at Eugene has it over me four city blocks for luck. Room 13 isn't in it for what I have had happen to me already this season. I carried a looking-glass out to the ball grounds, last week, with the intention of hanging it up in the club room, but when I got there I foolishly laid it on a bench and afterwards tipped the bench over and broke it into a thousand pieces. Talk about luck. That has "Fakir" White's batting average of last season looking like thirty cents."

Last night some miscreants entered the butcher shop of Geo. Kohlhagen by cutting the wire screen in front and made way with several hams and a small amount of change, which was in the cash register. The office saloon was also entered and the slot machine broken open and two bottles of Kellogg whiskey stolen. Enterance was gained to the saloon through the side window on washington street.

It is hardly an exaggeration to say that the Koreans are the laziest people on earth. All day long they lie about the streets smoking their gigantic pipes. A native pipe is a six foot length of bamboo with a metal bowl, and is carried tucked into the neckband and down the trousers leg. All work of very nearly every kind is done by the women, who occupy perhaps the most degraded positions held by the sex of any nation. The unfortunate female population is collectively a beast of burden and denied even the most elementary recognition as human beings. A Korean girl has no name. She is merely known as "daughter of So-and-so," her father.

Binger Hermann will be renominated for Congress next Wednesday in the Republican Convention of the First Representative District at Salem. J. N. Williamson will be renominated on the same day in the Republican Convention of the Second District at Portland, says the Oregonian.

Hermann has completely routed his rival by capturing Josephine, Washington and Yamhill Counties, upon which Harris placed confident reliance. Hermann's votes in the convention will outnumber Harris' by nearly two to one.

Moody was eliminated yesterday by the victory of Willis mon in the conventions of Baker and Umatilla. Those counties are the most potent in Eastern Oregon and since Moody's only chance of winning the nomination lay in his controlling one of them his defeat there removes him from the contest. As the counties now stand, Williamson leads his opponent in Eastern Oregon by perhaps half a dozen votes.
