The Roseburg Shamrocks won three out of four games played last week with the Albany boys. Heavy batting, fine outfield work and firstclass work on the infield were features of the Shamrocks playing through the series.

Roseburg supprised the Albany aggregation Thursday by their excelent team work and hard batting and after they had batted Howard out of the box and Gregory took his place the visitors were only able to win by one run after a ten inning game. Score Albany 6 Roseburg 5.

Friday's game was interesting from start to finish. In the first inning by hard well placed hits, Roseburg scored five runs and again in the third, Morrow made second on a long drive to left field and stole third and home while Donovan and Raymond were rag chewing. After the first inning Slats Taylor settled down and pitched a steady game, but Bilyeu for the locals was just as steady and easily won out.

Saturday as fine an exhibition of base ball as can be seen any place was witnessed by a small crowd at Rose Park, Albany leading off with a score in the third inning, Johnson's fine base running being a feature of the game. Suiss again scored for Albany in the fourth and in the sixth the score stood 4 for Albany, Roseburg 0, but the fine works commenced in the seventh after Albany made their total five.

White's ginger seemed to get into the veins of the Irishmen and things were doing. White, Bradley and Hunter all scored on five hits and things looked different in the 8th Reed's three base hit scored Sullivan and White and in the ninth with two men out and Newell on third base, Sullivan made a hero of himself by bringing a warm one to Howard that he failed to handle and landed safe as fast as Newell crossed the sack. Score, Roseburg 6 Albany 5.

Sundays game was a warm one, and, although there were numerous errors and heaps of runs the large crowd of spectators were highly elated at the good playing of the Roseburg team. In the first inning Reed retired the Albany bunch by pitching just five balls across the plate. Scoring commenced in the third, both sides making two runs. In the fourth Roseburg scored five more, Newell being responsible for two by placing the ball over the fence. By hard hitting Albany registered four more in the fifth, then by first-class bunting and and base running coupled with Donivan and Raymond's jawing which rattled their team mates Roseburg made five more. Gregory was removed from the game by Umpire Jackson and Slats Taylor took the slab, but he too was at the mercy of the Roseburghers. Roseburg scored again in eighth which ended the run getting with Roseburg 14 and Albany 6.

The last thing a man ought to do is to die. Some, however, are dead for years before the undertaker gets around to them Some of them are unfortunately engaged in business pursuits, but their names do not appear in the advertising columns of the local paper. They do not advertise.—Ex.
