THE BEST

FAMILY MEDICINE

She Has Ever Known. Words of Praise from a New York Lady for

AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled.

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent la grippe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known."—Mrs. MAY JOHNSON, 368 Rider Avenue, New York City.

We Call the Attention OF THE PUBLIC

TO THE FACT that when a merchant advertises that he or they can undersell anyone else, he is talking through his hat; or, in other words, he is a liar and the truth is not in him. We do not claim to undersell every one else, but we defy any man to undersell us; that is an advantage that no man has over another providing they be truthful to their brother merchants (which we are sorry to say is not the case with Heppner merchants.)

• • • •

We invite the public to inspect our stock, and believe you will find it a clean, fresh, first-class stock and well selected, and our prices are as cheap as any store in Eastern Oregon.

• • • •

Call and see us and you will find we mean just what we say.

Very Respectfully Yours,

HORNER & RHEA.

We've hired a poet,
We'll let him go it,
And the public will hear what he'll say.
He'll truthfully tell you
That no one can sell you
Cheaper than Horner & Rhea.

Other profs have roasted,
But now they'll get roasted,
For the people don't care what they say.
Stop in for a minute,
You'll find we are in it,
And you'll buy of Horner & Rhea.

Step into the store
And look the stock over,
You'll find on the same every day.
You need be deceived,
And we'll be believed,
When you purchase of Horner & Rhea.

Frankford's Miracle.

SAMUEL HART, A PARALYTIC ASTONISHES PEOPLE BY WALKING.

Once a Cripple and a Paralytic, now as Spry as a Boy.

(From the Philadelphia Record.)

Mr. Hart and his wife conduct a dry goods store at 4661 Frankford Ave., Philadelphia. He is about 70 years of age, and fought for the Union bravely throughout the war with Col. Gray's regiment, the 28th Penn. Vol. and is a member of Phil. J. Kearney Post No. 55, G. A. R. He also belongs to Shackamaxon Tribe, No. 116, of the Improved Order of Red Men, the Knight of Pythias, and numerous other organizations. Here is the story he told a reporter.

"Six years ago while I was working at my trade as a carpenter, I fell down stairs and fractured my skull, sprained my spine in two places and sustained other serious injuries. I was picked up for dead, carried home and laid for thirteen months out of my mind. Then I had my skull trephined at the Hahnemann hospital, "here Mr. Hart exhibited a small portion of his own skull bone which he carries as a pocket piece, "and I began to improve, but my spine gave me a great deal of trouble. Although I was under treatment by a skilled physician I grew rapidly worse. "On Feb. 14th last I was suddenly seized with locomotor ataxia. Both my legs below the knees were numb and completely paralyzed and I had a painful sensation about the hips. I fell and was confined for about five months in an invalid chair. Besides the paralysis of my lower limbs I suffered excruciating pains in my back and legs, could not sleep soundly, my nerves were completely upset and my appetite went back on me. I could not walk at all and at times had frightful convulsions.

"My wife and I agreed that it would do no harm to try the the Dr. Williams' Pink Pills and we got a supply. Before I had finished my first lot I was able to leave my invalid chair. The life blood again coursed through my once dead legs, and I put the chair up in the garret. It has been there ever since. I have steadily improved ever since and my legs are now as sound as a dollar. My form is more erect and I walk with the same springy motion that I had when I was 25 years old. Let me give you an instance of my activity." He picked up a cane, held it with both hands a slight distance apart and hopped through it and back again with the agility of a school boy. That is something a very few young men can do, he said, with a touch of pride in his tone.

X SAMUEL HART.

Sworn to before me this 21st day of August 1894. GEORGE L. BATTERSBY.

[SEAL.] Notary Public.

FOR LIBERTY.

TO THE EDITOR:

Nearly every paper in this broad land is now giving space to report the efforts of the Cubans to gain their liberty. Public sentiment declares itself in favor of the oppressed and it is now time to give a support that may be felt, to the heroes battling for liberty. *Vox populi vox Dei.* (The voice of the people is the voice of God). The people of Cuba are crying for liberty, their hope is in America, we as a nation must help them. The best way is to have the congress of the U. S. recognize the Cubans as belligerents, and to have congress do it, it must feel that the sentiment of the American citizens demand it.

To help this cause, we have today mailed to every newspaper editor and to business men in the U. S., a petition to congress for signature. You will find a copy enclosed in this letter. We have no doubt that the enlightened, liberty-loving newspaper men of the U. S. are fully in sympathy with this movement and therefore believe that you will sign this petition yourself and give it a place in your office, calling attention to this matter in the editorial and local columns of your paper. We have no ax to grind in regard to Cuba, but we have the greatest sympathy with this movement for liberty and justice. Please see that this petition is filled out and sent to us at your earliest convenience.

We will be glad to furnish you with any number of blanks and hope to have you send us a large list in a few days, for which due credit will be given you. We ask you to mail us marked copy or copies of your paper, containing reference to this subject, as we wish to collect what the American press has to say, and use it as an appendix to the petition. Any further information in regard to this matter will gladly be given by us.

Respectfully,
DR. MILES MEDICAL CO.

None But Ayer's at the World's Fair

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

EXPERIENCE BOOKS.—Doug. Belts, of Umatilla county, writes the Gazette that he will be at Heppner on Oct. 1st or 2nd with a lot of half and quarter blood Oxfordshire bucks, which he will offer for sale on very reasonable terms. Sheepmen should come early and select their rams before they are all gone. 7t.

Overwork, either physical or mental, will produce weakness and loss of energy. Too many business or family cares, overwork in the harvest field, an excess of woman's work and worry will produce months of misery. To prevent this, the exhausted system should be reinforced immediately. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is an appropriate remedy. Price $1.00 per bottle.

Mitchell Monitor: George Ray, I. N. Moore and others passed through town on Friday last, returning from Heppner where they had been to deliver a band of some 270 beef cattle belonging to Alf Allen, Geo Ray, Wm Pollard and other stockmen of this county. Now is the time to get the Weekly Oregonian, the greatest newspaper of the West. With the Gazette, both strictly in advance, for one year, $3. No better combination of newspapers can be made in the state. Besides we will give as a premium an additional journal, the Webfoot Planter, an agricultural paper. Come in now and subscribe. *

Nervousness

Cannot be permanently cured by the use of opiates and sedative compounds. It is too deeply seated. It is caused by an impoverished condition of the blood, upon which the nerves depend for sustenance. This is the true and only natural explanation for nervousness. Purify, enrich and vitalize the blood with

Hood's Sarsaparilla

and nervousness will disappear. Hood's Sarsaparilla will give vitality to the blood and will send it coursing through the veins and arteries charged with the life-giving, strength building qualities which make strong nerves. BIG PROFITS —ON— SMALL INVESTMENTS

Returning prosperity will make many rich, but few here can they make so much within a short time as by successful speculation in Grain, Provisions and Stock.

$10.00 FOR EACH DOLLAR INVESTED

Can be Made by Our

Systematic Plan of Speculation

originated by us. All successful speculators operate on a regular system.

It is a well known fact that there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to $50,000 to $100,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. ALL FREE. Our Manual explains margin trading fully. Highest references in regard to our standing and success.
