ITCH STOPPED—SKIN COOLED.

Itching skin diseases afflict some people as soon as the hot weather comes. There seems to be no preventative; but when the eruption does break out, it is a very simple matter to stop that itch and to stop it instantly.

Just a few drops of Oil of Wintergreen, properly compounded, washed over the eruption will sooth and smooth the skin instantly, giving that cooling and refreshing sensation.

Try a few drops of this D. D. D. Compound and your itch will be relieved at once, not in half an hour, or ten minutes, but in five seconds. Call at our store and we will tell you more about this D. D. D. Compound. Toledo Drug Company.

ITS A TOP NOTCH DOER.

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of Throat and Lung remedies. Every atom is a health force. It kills germs, and cold and la grippe vanish. It heals cough racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemmorhages cease. Dr. Geo. More, Black Jack, N. C., writes "It cured me of lung trouble, pronounced hopeless by all doctors." 50c, $1.00. Trial bottle free. Guaranteed by Toledo Drug Co.

In calling the attention of the taxpayers of Lincoln county to the meeting of the Board of Equalization I wish also to say that there will be errors to adjust, and also that in endeavoring to make a just and equal assessment it is necessary to change some values as taken in the field, as it is not always possible to get them as they should be.
