To Vote on New City Charter

A petition has been drawn up and is being circulated asking that the City Council have a new city charter drawn up and submitted to the voters at the next election. The petition is being freely signed.

While the present charter has answered the purpose in the past, we believe that it has served its use and that growth and development of our city demands a new charter and we believe this move is a good one and one that will further the rapid advancement of our city.

We have heard some talk on the streets by people who believe that it would be good policy to have this charter drawn up to the effect that all street improvements are to be made and paid for by the city, funds for same to be raised by a general tax. This plan has been followed out very successfully in other cities and might be what we want and need here.

County Judge John Fogarty announces himself as a candidate for County Judge in this issue. Judge Fogarty has been judge of this county about a year now and has made a good, careful and competent judge and there is no fault to find with his administration. He has inaugurated the same careful business methods in county affairs that he has practiced in his own private business. The Democrats cannot put up a better man than Judge Fogarty.

The tracklaying crew went through from Yaquina to Chitwood yesterday morning, having finished laying the heavy steel rails through from tunnel No. 1, just west of Chitwood to Yaquina. They will now commence laying east, and the company expects to have the greater part, or all, the road with the heavy steel before the Summer travel begins.

The dredge Lincoln is doing a great work while dredging the sawmill company's mill pond. It is throwing the mud on Peterson and Olson's dyke, making a high, substantial dyke that the high tides will never overflow.

Edward Gillaspie of Elk City was in the city Tuesday.

Independence 34 Toledo 16

In one of the roughest games ever played in this city, Independence defeated the local basketball team last evening by the score of 34 to 16. Independence has a good strong team and play good team work. Toledo was handicapped by the absence of McMillan, one of our star players, he being called away by the death of his father.

The Independence boys go to Newport tonight for a game with the team there.

Auctioneer Wilcox of Portland was in the city Wednesday enroute to Siletz, having purchased the stock and store buildings recently owned by John Kentta. Mr. Wilson has not decided yet just what he will do with the property.
