THE ENTERPRISE.

OREGON CITY, OREGON, JAN. 2, 1874.

KIND WORDS.

The Associated Reformed *Presbyterian* says: For years Perry Davis' Pain-Killer has been known as a most useful family medicine. For pains and aches we know nothing so good as the Pain-Killer. For many internal diseases it is equally good. We speak from experience, and testify to what we know. No family ought to be without a bottle of Davis' Pain-Killer.

MESSRS. PERRY DAVIS & SON, Prov., R. I.—*Gents:*—Although a stranger to you I am not to your invaluable medicine, Pain-Killer. I formed its acquaintance in 1817 and I am on most intimate terms with it still; my experience in its use confirms my belief that there is no medicine equal to Pain-Killer for the quick and sure cure of Summer Complaints, Sore Throat, Croup, Bruises and Cuts. I have used it in all and found a speedy cure in every case.
Yours Truly, T. J. GARDINER, M. D.

Judging by our own experience whoever once makes a trial of Perry Davis' Pain-Killer, will not fail to recommend it widely as an unequalled liniment, and valuable internal remedy for colds and various other complaints.—*Every Mouth.*

The efficiency of Perry Davis' world-renowned *Pain-Killer* in all diseases of the bowels, even in that terrible scourge, the Asiatic cholera, has been amply attested by the most convincing authority. Missionaries in China and India have written home in commendation of this remedy in terms that should carry conviction to the most skeptical, while its popularity in communities nearer home is ample proof that the virtues claimed for it are real and tangible. Among family medicines it stands unrivaled.—*Boston Courier.*

The *Saturday Review's Gazette* of Boston, says: It is impossible to find a place on this broad land where Perry Davis' PAIN-KILLER is not known as a most valuable remedy for physical pain. In the country, miles from physician or apothecary, the Pain-Killer is cherished as the exclusive panacea, and it never deceives.

"PERRY DAVIS' PAIN-KILLER is really a valuable medicament, and, unlike most of the articles of the day, is used by many physicians. It is particularly desirable in locations where physicians are not near; and, by keeping it at hand, families will often save the necessity of sending out at midnight for a doctor. A bottle should be kept in every house." *Boston Traveller.*

"We have tested the PAIN-KILLER, and assure our readers that it not only possesses all the virtues claimed for it, but in many instances surpasses any other remedy we have ever known."—*Herald of Gospel Liberty.* nov19m1

A Manual of Health.

An edition of between nine and ten millions of copies of a very useful work is now ready for gratuitous distribution, and can be had for the asking at any drug store in the United States, the British Colonies, Spanish America or Brazils. The work referred to is Hostetter's Almanac for 1874. The medical portion of it treats of the various ailments which the human system is subject, and sets forth the peculiar properties of Hostetter's Stomch Bitters—the purest and best tonic at present known—as a preservative of health and strength, and as a remedy for debility and disease. The Almanac is printed in all the principal languages of the civilized world, and reaches a large number of families and individuals than any other medical treatise that ever issues from the press. No man or woman who has a due regard for that choicest of heaven's blessings, bodily vigor should fail to read the plain, simple and convincing articles which this truly practical publication contains. The miscellaneous matter is varied, instructive and amusing, and the calendar department copious and comprehensive. Hostetter's Almanac is, in short, a household convenience, adapted to the convenience, adapted to the use of all classes and callings. The farmer, the planter, the miner, the merchant, the mechanic, the laborer, the professional man, all need it; and to invalids of both sexes it is literally an article of prime necessity. The medical technalities which render so many medical treatics intended for popular use unintelligible to the general reader, have been carefully avoided in this pamphlet. All is clear, explicit, forcible, and reconcilable with reason and common sense.

The proprietors, Messrs. Hostetters & Smith, Pitsburg, Pa., on receipt of a two cent stamp, will forward a copy by mail to any person who cannot procure one in his neighborhood.

TREATING THE WRONG DISEASE.

Many times Women call upon their family physicians, one with Dyspepsia, another with palpitation, another with trouble of the breast, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent doctors, separate and distinct diseases, for which he prescribes his pills and potions, assuming them to be such, when, in reality, they are all symptoms caused by some uterine disorder, and while they are thus only able perhaps for a time, they are ignorant of the cause, and encourage their practice until large bills are made, when the suffering patients are no better in the end, but probably worse for the delay, treatment, and other complications made, and which a proper medicine directed to the cause would have entirely removed, thereby instituting health and comfort instead of prolonged misery.

From Miss LORINDA E. ST. CLAIR, Shade, Athens Co., O., Oct. 14th, 1872.
"Dr. R. V. Pierce, Buffalo, N. Y.—Your favorite prescription is working almost like a miracle on me. I am better already than I have been for over two years."

From ELLA A. SCHAFER, Zainsville, Ind., Aug. 3, 1872:
"Dr. Pierce—I received the medicine you sent me and began using it immediately. As a result of the treatment I feel better than I have for three years."

From Mrs. JOHN K. HAMILIS, Odell, Ill., Mar. 19, 1872:
"Dr. R. V. Pierce—The favorite prescription has done me good, which I am very thankful for."

THE PARKER GUN.—We take pleasure in calling attention of our Valley friends to the wonderful merits of the double-barreled breech loading shot guns manufactured by Parker Brothers, West Meriden, Conn.

The highest testimonial received from all sections of the country, and the thorough test given it in the field by our friend Capt. Green B. Samuels, warrant us in asserting that it is the best breech-loading shot gun in the world. The simplicity of construction, the ease with which it can be loaded or unloaded, the facility with which the load can be changed from small to large shot—enabling the sportsman, in an instant, to adapt his change to any sized game that may present itself—the ease with which it may be kept clean, its availability to a country where nothing but muzzle-loading ammunition can be procured, all combine to recommend it to every sportsman who can appreciate a perfect fowling piece.—"Warren Sentinel;" (Front Royal, Va.)

The STAR SPANGLED BANNER for December is promptly on our table, and in spite of the threats, arrests and false charges made against it for its persistent exposure of Rogues, Rascals and Swindlers, it don't stop waving big worth a cent. In fact, though its publishers are threatened black-mailed and persecuted, they seem to still flourish. The BANNER overflows as of yore with 40 columns of splendid reading. "The Rogues' Corner" is as cutting as ever; and instead of one it next year gives a pair of charming Chromos, by Prang, and a paper a year, all for one dollar. It begins its twelfth year in January, and everybody (no exceptions), should read it. One dollar a year; send six cents for specimens to "Star Spangled Banner, Hinsdale, N. H.

THE WORLD AND HIS WIFE have made up their minds that there is nothing under heaven so certain as a cure for a cough, cold, or difficulty of breathing, as *Hale's Honey of Horehound and Tar.* The sale is over three thousand bottles per day. Crittenton's, 76th Avenue. Sold by all Druggists.

Pike's Toothache Drops cure in 1 minute.

If your horse is lame, sore or galled, you should use *Johnson's Anodyne Liniment;* wash the part with castile soap and warm warm water, rub dry, with a clean cloth, then apply the Liniment, rub in well with the hand.

Have the readers of the ENTERPRISE ever read any of *Brown's Paverine Pills?* If not, [illegible] remedy there is in this country.

Prospectus for 1874—Seventh Year.

THE ALDINE,

An Illustrated Monthly Journal, Universally admitted to be the Handsomest Periodical in the World. A Representative and Champion of American Taste.

Not For Sale in Book or News Stores.

THE ALDINE, while issued with all the regularity, has none of the temporary for *Goodly* interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of *THE ALDINE* will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, *THE ALDINE* is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes *for ten times its cost; and then, there are the chromos, besides!*

PREMIUM FOR 1874.

Every subscriber to *THE ALDINE* for the year 1874 will receive a pair of chromos. The original pictures were painted in oil for the publisher of the *THE ALDINE*, by Thomas Moran, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in The White Mountains, New Hampshire; the other gives The Falls of Green River, Wyoming Territory. The difference in the nature of the scenes themselves is a pleasing contrast, and affords a good display of the artist's scope and coloring. The chromos are each worked from thirty distinct plates, and are in size (12 x 16) and appearance exact facsimiles of the originals. The presentation of a worthy example of America's greatest landscape painter to the subscribers of *THE ALDINE* was a bold but peculiarly happy idea, and its successful realization is attested by the following testimonial, over the signature of Mr. Moran himself.

NEWARK, N. J., *Sept. 20th*, 1873
Messrs. JAMES SUTTON & Co.
Gentlemen,—I am delighted in the proofs in color of your chromos. They are wonderfully successful representations by mechanical process of the original paintings.
Very Respectfully,
(Signed,) THOS. MORAN.

These chromos are in every sense American. They are not an original American process, with material of American manufacture, from designs of American scenery by an American painter, and presented to subscribers to the first successful American Art Journal. In not better because of all this, they will certainly possess an interest no foreign production can inspire, and neither are they any the worse if by reason of peculiar facilities of production they cost the publisher quite a trifle, *while equal to very, expert to other chromos that are sold singly for double the subscription price of THE ALDINE.* Persons of taste will prize those pictures for themselves—not for the press they cost, and will appreciate the enterprise that renders their distribution possible.

If any subscriber should indicate a preference for a figure subject, the publisher will send "thoughts of Home," a new and beautiful chromo, 10 x 8 inches, representing a little Italian exile whose speaking eyes betray the longings of his heart.

TERMS:

$5 per annum, in advance, with Oil Chromos Free!

For 50 cents extra, the chromos will be sent, mounted, varnished, and prepaid by mail.

THE ALDINE, will, hereafter, be obtainable only by subscription. There will be no reduction or club rate; cash for subscriptions must be sent to the publishers direct or handed to the local canvasser, *without responsibility to the publishers*, except in cases where the certificate is given bearing the *facsimile* signature of JAMES SUTTON & Co.

THE SUN.
WEEKLY, SEMI-WEEKLY, AND DAILY.

THE WEEKLY SUN is too widely known to require any extended recommendation; but the reasons which have already given fifty thousand subscribers, and which will, we hope, give it many thousand more, are briefly as follows:

It is a first-rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible and interesting manner.

It is a first-rate family paper, full of interesting and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first-rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first-rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and wearing no collar. It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether. It has no fear of knaves, and asks no favors from their supporters.

It reports the fashions for the ladies and the markets for the men, especially the cattle-markets, to which it pays particular attention.

Finally it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will receive the paper for a year.

We have no travelling agents.

THE WEEKLY SUN.—Eight pages, fifty-six columns. Only $1.00 a year. No discounts from this rate.

THE SEMI-WEEKLY SUN.—Same size as the Daily Sun. $2.00 a year. A discount of 20 per cent to clubs of 10 or over.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents per month, or $6.00 a year. To clubs of 10 or more, a discount of 20 per cent.
