Portland now has an excellent opportunity to show whether it possesses the "Seattle spirit" or any spirit at all. The construction of a sugar refinery at Portland to handle the raw product from the Hawaiian Islands would insure the permanence of a line of steamers between Honolulu and the Columbia and would also mean much to Portland in an industrial way. There are few, however, who are acquainted with the "Portland spirit" who believe that such an industrial enterprise will ever be located there by local capital. Astoria would be the proper place for a great sugar refinery and our chamber of commerce should immediately look into the proposition and see if the plant cannot be located here at Oregon's natural port. If Astoria possessed Portland's capital the enterprising character of our citizens would not let such an opportunity slip, and it is even possible that a sturdy effort might be made which would locate here such a plant as is proposed. Could this be done a great advance towards general recognition of Astoria as the true port and steamship terminus of the state would be made.

IT CURES THE COLD AND STOPS THE COUGH.

Laxative Bromo Quinine Tablets cure a cold in one day. No cure, no pay. Price 25 cents.

The Countess Castellane alludes to the count as "My dear husband." Very dear, indeed.

Chapped hands, cracked lips and roughness of the skin cured quickly by Banner Salve, the most healing ointment in the world. CHAS. ROGERS, Druggist.

A Tennessee woman has discovered a positively reliable method of curing boys of the cigarette habit. She killed the boy.

IF BANNER SALVE

doesn't cure your piles, your money will be returned. It is the most healing medicine. CHAS. ROGERS, Druggist.

That old-time custom of burning barrels as an election ight accompaniement is dying out, but the use of the election barrel in other respects is increasing.

Save doctors' bills by giving Foley's Honey and Tar to infants and children in time to prevent pneumonia or croup, which are fatal to so many thousands of babies. CHAS. ROGERS, Druggist.

Now it is said the latest airship is not by any means the success alleged. More evidence how hard it is to get up in the world.

J. A. Lambert, of Rachel, N. C., writes: "I heartily endorse Foley's Kidney Cure. It does what you claim it will do, and there is nothing equal to it, and I thank you for the good it has done me." Accept no substitute. CHAS. ROGERS, Druggist.

Andrew Lang has been writing on "The Joys of Being a Villian." He probably means a vaudivillian.

La grippe coughs often continue for months and sometimes lead to fatal results after the patient is supposed to have passed the danger point. Foley's Honey and Tar affords positive protection and security from these coughs. CHAS. ROGERS, Druggist.

One of the high Chinese functionaries committed suicide by swallowing gold leaf. If he was guilty then gilt was a very proper means to use to effect his exit.

LINGERING LA GRIPPE COUGH.

G. Vacher, 157 Osgood St., Chicago, says: "My wife had a very severe case of la grippe, and it left her with a very bad cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50 cent bottle cured her cough entirely." Price 25c and 50c. CHAS. ROGERS, Druggist.

The man who has lived with his wife in a room in one of Chicago's well-known hotels for twenty-two years must have bought the house several times over.

TRIED FIVE DOCTORS.

Mrs. Frances L. Sales, of Missouri Valley, Ia., writes: "I had severe kidney trouble for years, had tried five doctors without benefit, but three bottles of Foley's Kidney Cure cured me. CHAS. ROGERS, Druggist.

During the last ten years more than $18,000,000 has been expended in the United States in the maintenance of agricultural stations, $7,000,000 of which has come from the federal government.

AFTER LA GRIPPE—WHAT?

Usually a racking cough and a general feeling of weakness. Foley's Honey and Tar is guaranteed to cure the "grippe cough" and make you strong and well. CHAS. ROGERS, Druggist.
