BETTER THINGS.

BY GEORGE MCDONALD.

Better the love of a gentle heart than
beauty's favors proud.
Better the rose's living seed than roses
in a crowd.

Better to love in lonliness than bask in
love all day;
Better the fountain in the heart than
the fountain by the way.

Better be fed by mother's hand than
eat alone at will;
Better trust in God than say "My goods
my storehouse fill."

Better sit at a Master's feet than thrill
a listening State;
Better suspect that thou art proud than
be sure thou art great.

Better to walk in the realms unseen
than watch the hour's event;
Better the well done at the last than
the air with shouting rent.

Better to have a quiet grief than a hurrying delight;
Better the twilight of the dawn than
the noonday burning bright.

Better a death when work is done than
earth's most favored birth.
Better a child in God's great house
than the King of all the earth.

Recollections of a Dentist's Shop.

Mark Twain, in his new book about England, tells how he had the toothache one night in London, and gave some pleasing recollections of the dentist's shop which he was won't to patronize when he lived in Elmira. He says:

"One night the tooth did jump, and every time it jumped it raised my head right off the pillow. How I did lie awake and think about that dentist's shop in Elmira, where I had been under torture so many times; of those pretty dental instruments, so polished and so cold! How I did long to lay my cheek against one—one of those short, thick, heavy, twisted chaps, with the low-legged, stunted and curved handles and strong hawkbill jaws! How I reveled in delight at the thought of having such a thing clutch my refractory tooth, and 'yank it!' With what pleasurable emotions came crowding into my mind the recollections of that dentist and his rooms and its fixtures—his big easy chair, with the pretty white curtained window before it, and the nice, big glass spittoon to the left, with the hole in the bottom, and the bits of gold and streams of blood-stained saliva on the sides. And the pretty little bureau with the bottles on the top, and the little yellow drawers which he jerks out so gently when seeking some new and more delicate instrument of torture. And then the beautiful little round velvet covered stand on the gas fixture, covered with the nice drills and pretty files, and the lovely little crowbars with the stained ivory handles, and the long steel crochet needle with which he hunts for new cavities, and the little round pasteboard box full of gold 'plugs,' and the dirty little napkin, and the rubber ball syringe, and the singular smell of his thumb, and all that! Oh, how nice."

WITHOUT REPROACH.—Senator Bayard, of Del. [illegible] aware, shines out like a star in the dark [illegible] galaxy of present statesmanship for [illegible] his noble letter in response to an application to become a stock-holder in the Credit Mobilier. He had no question of the value of the stock, but he could have no pecuniary interest in a company that would need legislation. How much better a letter of this kind would have read from Gen. Butler than his business communication asking for his fee! The time has come for our public men to accept the Bayard standard in their relations with Congress. Public opinion should reform the custom that has so long held good, and lay it down as a rule that between a fee and bribe on all questions that may be questions of legislation there can be and should be no difference.—*New York Herald.*

CONGRESSMEN AND THE THIRD TERM.—The New York *Herald* publishes a full list of the Representatives and Senators in Congress, with their opinions on the third term question. According to the classification given, in the Senate there are 24 for the third term, 29 against and 21 neutral or trimmers. In the House there are 78 for third term, 117 against, and 105 trimmers. The *Herald* places all of the trimmers on the side of the third term party, thus making a majority of 16 in the Senate and 66 in the House in favor of Grant's re-election.

TO YOUNG MEN.—Don't rely upon friends. Don't rely upon the name of your ancestors. Thousands have spent the prime of life in the vain hope of the aid of those whom they call friends; and thousands have starved because they had a rich father. Rely upon the good name which is made by your own exertions; and know that better than the best friend you can have is unquestionable determination, united with decision of character.

A new discovery of a ledge of galena was last week made by J. W. Johnson & Co., of Sparta, about 30 miles to the east of Sparta. Assays made by J. W. Virtue, of Baker City, show the rock to contain of lead, 1,500 pounds to the ton; gold, $47; and silver, $18—intermixed with the pure carbonic of lead. The ledge is six feet wide.

HAVE BEEN DIVERTED.—It having been asked, by one curious in the causes of things, "why two-thirds of the hotel clerks are bald," a keen observer gives it as his opinion that it may be "because the forces of nature have been diverted from the scalp to the cultivation of supernatural check."

FOR DIPTHERIA.—Milk punch is recommended for diptheria. There will be much of this sickness among teetollers as soon as this remedy is known.

Geo. F. Edmunds has been re-elected U. S. Senator from Vermont for a full term, commencing on the 4th of March, next.

THOMAS CHARMAN

ESTABLISHED : 1853.

DESIRES TO INFORM THE CITIZENS of Oregon City and of the Willamette Valley, that he is still on hand and doing business on the old motto, that

MOST COMPLETE

ever offered in this market, and was selected with especial care for the Oregon City trade. All of which I now offer for sale at the

Lowest Market Rates.

No use for the ladies, or any one else, to think of going to Portland to buy goods for I am *Determined to Sell Cheap* and not to allow myself to be

UNDERSOLD IN THE STATE OF OREGON.

All I ask is a fair chance and quick payments, believing as I do that

Twenty Years Experience

in Oregon City enables me to know the requirements of the trade. Come one and all and see for yourselves that the old stand of

THOMAS CHARMAN

cannot be beaten in quality or price. It would be useless for me to tell you all the advantages I can offer you in the sale of goods, as every store that advertises does that, and probably you have been disappointed. All I wish to say is

Come, and See, and Examine for Yourselves

for I do not wish to make any mistakes. My object is to tell all my old friends now that I am still alive, and desirous to sell goods cheap, for cash, or upon such terms as agreed upon. Thanking all for the liberal patronage heretofore bestowed,

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower slopes of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the mild but efficient stimulant to the weak invalid, the healthy tonic for the convalescent, the gentle aperient or purgative to the sick, the sedative to relieve pain, the great remedy for inflammatory diseases of every description. They are a gentle purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Stimulant, Counter-Irritant, Sudorific and Alterative or Blood Purifier.

SARSAPARILLIAN RESOLVENT

has made the most astonishing cures; so quick, so rapid are the changes the body undergoes, under the influence of this truly Wonderful Medicine, that every day an increase in flesh and weight is seen and felt.

THE GREAT BLOOD PURIFIER.

Every drop of the **Sarsparillian Resolvent** communicates through the Blood, Sweat, Urine and other fluids and juices of the system the vigor of life, for it repairs the wastes of the body with new and sound material. Scrofula, Syphilis, Consumption, Glandular disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands and other parts of the system, Sore Eyes, Strumous Discharges from the Ears, and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worm Salt Rheum, Erysipelas, Acne, Black Spots Worms in the Flesh, Tumors, cancers in the Womb, and all weakening and painful discharges, Night Sweats, Loss of Sperm, and all wastes of the life principle, are within the curative range of this wonder of Modern Chemistry, and a few days use will prove to any person using it for either of these forms of disease its potent power to cure them.

If the patient, daily becomes reduced by the wastes and decomposition that is continually progressing, succeeds in arresting these wastes, and repairs the same with new material made from healthy blood—and this the Sarsparillian will and does secure. Not only does the Sarsparillian Resolvent excel all known remedial agents in the cure of Chronic, Scrofulous, Constitutional, and Skin diseases; but it is the only positive cure for

Kidney and Bladder Complaints,

Urinary and Womb diseases, Gravel, Diabetes, Dropsy, Stopping of Water, Incontinence of Urine, Bright's Disease, Albuminuria, and in all cases where there are brick-dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid, dark, bilious appearance, and when bone-dust deposits, and when there is a pricking, burning sensation when passing water, and pain in the small of the back and along the loins. Price, $1 00.

WORMS.—The only known and sure Remedy for *Worms—Pin, Tape, etc.*

Tumors of 12 Years' Growth Cured by Radway's Resolvent.

BEVERLY, Mass., July 8, 1869.

DR. RADWAY:—I have had Ovarian Tumor in the ovaries and bowels. All the Doctors said "there was no help for it." I tried everything that was recommended but nothing helped me. I saw your Resolvent, and thought I would try it; but had no faith in it, because I had suffered for twelve years. I took six bottles of the Resolvent, and one box of Radway's Pills, and two bottles of your Ready Relief, and there is not a sign of tumor to be seen or felt, and I feel better, smarter, and happier than I have for twelve years. The worst tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others. You can publish it if you choose. HANNAH P. KNAPP.
