MONSTER LUMBER BOAT BUILT

Hammond Lumber Company Places Order For Another Boat of Big Tonnage and Small Draft For Pacific Coast Lumber Trade.

PORTLAND, Oct. 11.—Through District Forecaster E. A. Beals, who returned from an inspection trip to Coos Bay last night, it is learned that the C. A. Smith Lumber Company, of Marshfield, has just launched a new steamer at Newport News which will carry 2,250,000 feet of lumber on a draft of 18 feet. The vessel has been christened the Nan Smith, and will be brought around for service on this coast in the lumber trade. In that she draws three or four feet less than any other steamer ever built, for the amount of cargo handled, the steamer is entirely different from anything recently turned out at the shipyards. Her deck is covered with large hatches, making it possible to shove lumber into the hold by the carload at one swing of the powerful derricks with which she is equipped. In a day or two, or just as soon as she takes on stores, the Nan Smith will sail for Marshfield. She is expected to reach her destination in the next 60 days. After looking over the steamer, theh Hammond Lumber Company of San Francisco, decided to have one built exactly like her at the same yards. She will also be brought to this coast to engage in the lumber trade, and will probably ply out of Portland.

The steamer Roanoke arrived down the river yesterday morning with a large number of passengers and much freight. After making a few transfers of freight at the Callender dock she went to sea last evening for Eureka and San Francisco.

The lighthouse tender Heather will leave for Portland today in connection with her work at the river mouth. It is probable that she will bring back the necessary night lights asked by the pilots for the lower harbor.

The Norwegian steamship Terge Viking arrived in port yesterday morning from San Francisco to load lumber for the Orient and will take on a portion of it at the mill of the Tongue Point Lumber Company.

The steamer schooner Thos. L. Wand arrived in yesterday morning from San Francisco to load lumber. She will take on a portion of it at the mill of the Astoria Box Company and finish at Goble.

The steamer Costa Rica arrived in from San Francisco yesterday morning with a big cargo of freight and passengers. She discharged quite a lot of freight at the O. R. & N. dock.

The steam schooner Daisy Freeman, with a cargo of lumber for California, went to sea yesterday.

The Armeria will leave for Ladysmith, B. C., in a few days for a cargo of coal for this district.

ATTEMPTS TO BRIBE JUDGE.

Solomon Strong Indignant Over Sentence to Jail.

Kalama, Wash., Oct. 11.—Solomon Strong was sentenced to 30 days in the county jail and fined $100 here today for attempting to bribe Judge George T. Reid of Pierce county in an action brought by Strong to correct a deed. Strong left a note on Reid's desk stating that he would give $200 if the judge would decide the case in his favor. Strong was immediately summoned into court and the note was read to him. He admitted that he had written it. When fined and imprisoned Strong was very angry. As he was being led away he remarked that "If Reid didn't have sense enough to bite at a good thing, he might have been gentleman enough to tear the note up."

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

His Dear Old Mother.

"My dear old mother, who is now 83 years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles, by Charles Rogers, druggist. 50c.

It is a well known fact that persons living in the Pine forests do not suffer from kidney diseases. One dose of Pineules at night usually relieves backache, 30 days' treatment, $1.00. Your money refunded if not satisfied.
