A lady, greatly excited, asks to see the editor of a daily paper, and is told it is impossible, the editor being too busy to speak to any one, no matter who it may be. "Oh, that makes no difference," is her reply, "I shall do all the talking myself."

That Cantankerous Old Woman described in the nursery ballad, who "lived upon nothing but vittals and drink," and yet "would never be quiet," was undoubtedly troubled with chronic indigestion. Her dietetic ills, like those of many other elderly persons whose digestive powers have become impaired, did not agree with her. This was before the era of Hostetter's Stomach Bitters, or some one of her numerous friends and relatives would undoubtedly have persuaded her to try the great specific for dyspepsia, constipation and indolence. It would have been a measure of self-protection on their part, for [illegible] This good medicine also corrects stomach and bowel complaints, rheumatism and kidney troubles are also relieved by it.

OUR $1. A WEEK Club System while as convenient to the buyer as any Instalment system, is a *wholesale spot cash system* to us. The co-operation of the club members sells us 38 watches in each $38 Watch Club, and we get cash from the Club for each watch before it goes out, though each member only pays $1 a week. This is why we give you more for your money than any one else and why we are doing the largest watch business in the world. We sell only first quality goods, but our prices are about what others get for second quality. Our $10 Silver Watch is a substantial Silver *(not imitation of any kind)* Stem-Wind American Lever Watch—either hunting case or open. Our $25.00 Watch is a Stem-wind, Open Face, first quality, stiffened Gold American Lever Watch, *guaranteed to wear 20 years.* It is fully equal to any watch sold for $40 by others. We find a first-class Stiffened Gold Case much more satisfactory and serviceable than any Solid Gold Case that can be sold at less than double the money, as cheap solid cases are invariably thin, weak, of low quality, and worthless after short use. Our $18 Watch contains numerous important patented improvements, of vital importance to accurate timing—*Patent Dustproof, Patent Stem Wind, &c.,* which we control exclusively. It is fully equal for accuracy, appearance, durability and service, to any $75 Watch, either Open Face or Hunting. Our $13.00 Railroad Watch is especially constructed for the most exacting use, and is the best Railroad Watch made, Open Face or Hunting. All these prices are either all cash or in clubs, $1.00 a week. *An Ajax Watch Insulator given free with each Watch.*
