The Most Successful Remedy ever discovered, as it does exist in the bones and does not blister. Also excellent for human flesh. Read price below.

From a Prominent Physician.

Westlinger ville, Ohio, June 17, 1880.

DR. B. J. KENDALL & CO., Gentlemen: Sending your advertisement in Turf, Field and Farm, of Kendall's Spavin Cure, and having a valuable and speedy Horse which had been lame from spavin eighteen months. I sent to you for a bottle by express, which in six weeks removed all lameness and enlargement and a large splint from another horse, and both horses are to-day as sound as nuts. The one bottle was worth to me one hundred dollars. Respectfully yours,

H. A. BERTOLETT, M. D.

KENDALL'S SPAVIN CURE

Harrisburg, Pa., Nov. 18, 1879.

DR. B. J. KENDALL & CO., Gents: I have a very fine mare that has had a bone spavin for a long time. I tried every thing man could devise to cure it, but all in vain and was about to give it up when a friend of mine in this city came to me and recommended Kendall's Spavin Cure which I tried with good results, removing the bone clear and clean and then I sent 25 cents to you for one of your illustrated Horse Books and I think there is no better book printed on the horse and his diseases. I have taken great interest in it and have since sent it to people for you to my neighbors, who will try and do what good I can in getting them for others. Yours truly, G. W. MILLER.

KENDALL'S SPAVIN CURE

ON HUMAN FLESH.

Bakersfield, Vt., Dec. 24, 1879.

B. J. KENDALL & Co., Gents: I wish to add my testimony in favor of your invaluable Remedy "Kendall's Spavin Cure." In the spring of 1878 I slipped on the ice and crushed my right knee at the knee joint. I was very lame and at times suffered the most excruciating pain. I wore a bandage on it for over a year, and tried most everything in my reach, but could find nothing that would give me permanent relief. When I overworked, it would pain me very much. In April 1878 I began to think I should be a cripple for life; but having some of "Kendall's Spavin Cure" thought I would try it. I used one third of a bottle, and experienced relief at once. The pain left me and has not troubled me since. I feel very grateful to you and would recommend "Kendall's Spavin Cure" to all who suffer with sprains or rheumatism. Yours truly, MRS. J. BOUTELL.

Kendall's Spavin Cure

is sure in its effects, mild in its action as it does not blister, and yet it is penetrating and powerful to reach any deep seated pain or to remove any bony growth or any other enlargement if used for several days, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects. It is used full strength with perfect safety at all seasons of the year.

Send address for Illustrated circular, which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success, to our knowledge, for beast as well as man.

Price $1 per bottle, or six bottles for $5. ALL DRUGGISTS have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors.
