PROPOSED CHANGE OF GRADE OF BENTON STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 17th day of June, 1903, the following resolution was adopted:

Resolved, By the Council of the City of Portland, that it deems it expedient to change the grade of Benton street within the city and establish said grade as follows, and that it is the intention of said Council to change and establish said grade of Benton street as follows:

At the south line of McMillen's Addition from 78.80 feet to 81.30 feet, above the base of city grades.

Resolved, That the Auditor be and he is hereby directed to give notice of the proposed change of grade of said street as provided by the charter.

Remonstrance against the above change of grade may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.
THOS. C. DEVLIN,
Auditor of the City of Portland.
June 19, 1903.

PROPOSALS FOR FUEL.

SEALED PROPOSALS will be received at the office of the Auditor of the City of Portland, in the City Hall, until Friday, June 26, 1903, at 3 o'clock p. m. for furnishing to the City Crematory fuel for a period of one year.

All fuel to be delivered upon requisition from the proper authorities, excepting 400 cords of slab wood, which must be delivered within sixty days from the date of entering into contract therefor.

Bids must be accompanied by a certified check, payable to the order of Geo. H. Williams, Mayor, for an amount equal to 10 per cent of the aggregate of the bid as fixed and liquidated damages, in case such bidder withdraws his bid, or fails to enter into written contract and furnish satisfactory bond for the faithful performance of the contract, should the same be awarded.

The right to reject any and all bids is hereby reserved.

By order of the Board of Health.
THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, June 20, 1903.

A statement of aforesaid assessment has been entered in the Docket of City Liens, and is now due and payable at the office of the City Treasurer, in lawful money of the United States and if not paid within thirty days from the date of this notice such proceedings will be taken for the collection of the same as are provided by the charter of the City of Portland.

The above assessment will bear interest ten days after the first publication of this notice.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, June 22, 1903.

COMPLETION AND ACCEPTANCE OF IMPROVEMENT OF THIRD STREET.

Notice is hereby given that William C. Elliott, City Engineer, has filed in the office of the undersigned notice that Miller & Baner, contractors for the improvement of Third street, under the provisions of Ordinance No. 13,143, have completed said street, from the center line of Burnside street to the center line of Ankeny street, from the center line of Yamhill street to the center line of Madison street, from the center line of Washington street to the center line of Alder street.

Said acceptance will be considered by the Executive Board at 4 o'clock on the 19th day of June, 1903, and objections to the acceptance of said street or any part thereof may be filed in the office of the undersigned at any time prior thereto.

THE EXECUTIVE BOARD.
By THOS. C. DEVLIN,
Auditor of the City of Portland.
June 13, 1903.

CITY NOTICES.

PROPOSED IMPROVEMENT OF EAST THIRTY-THIRD STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 17th day of June, 1903, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve East Thirty-third street from the north line of East Morrison street to the south line of Base Line road in the following manner, to-wit:

First—By grading the street full width with full intersections to the proper grade.

Second—By constructing wooden sidewalks 12 feet wide with six foot covering planks.

Third—By constructing wooden crosswalks six feet in width.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 16th day of June, 1903. Indorsed: "City Engineer's plans and specifications for the improvement of East Thirty-third street from the north line of East Morrison street to the south line of Base Line road, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet west of and parallel with the west line of East Thirty-third street and a line 100 feet east of and parallel with the east line of East Thirty-third street and between the north line of East Morrison street and the south line of Base Line road.

The Engineer's estimate of the probable total cost for said improvement is $2,032.00.

The plans, specifications and estimates of the City Engineer for the improvement of said East Thirty-third street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.
THOS. C. DEVLIN,
Auditor of the City of Portland.
June 19, 1903.

PROPOSED IMPROVEMENT OF EAST THIRTY-SEVENTH STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 17th day of June, 1903, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve East Thirty-seventh street from the south line of East Yamhill street to the north line of East Taylor street, in the following manner, to-wit:

First—By grading the street full width with full intersections to the established grade.

Second—By constructing wooden sidewalks.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 16th day of June, 1903, indorsed: "City Engineer's plans and specifications for the improvement of East Thirty-seventh street from the south line of East Yamhill street to the north line of East Taylor street and the estimate of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet west of and parallel with the west line of East Thirty-seventh street and a line 100 feet easterly from and parallel with the east line of East Thirty-seventh street and between the south line of East Yamhill street and the north line of East Taylor street.

The Engineer's estimate of the probable total cost for said improvement is $168.00.

The plans, specifications and estimates of the City Engineer for the improvement of said East Thirty-seventh street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.
THOS. C. DEVLIN,
Auditor of the City of Portland.
June 19, 1903.

PROPOSED IMPROVEMENT OF EAST SEVENTH STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 17th day of June, 1903, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve East Seventh street from the south line of East Everett street to the north line of East Stark street in the following manner, to-wit:

First—By grading the street full width with full intersections to the proper subgrade.

Second—By removing all earth, mud and debris from that portion of the street now improved by gravel.

Third—By bringing the street full width with full intersections to the proper grade with water-washed gravel.

Fourth—By constructing artificial stone sidewalks.

Fifth—By constructing wooden crosswalks six feet in width.

The said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 16th day of June, 1903, indorsed: "City Engineer's plans and specifications for the improvement of East Seventh street from the south line of East Everett street to the north line of East Stark street and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet west of and parallel with the west line of East Seventh street and a line 100 feet east of and parallel with the east line of East Seventh street and between the south line of East Everett and the north line of East Stark street.

The Engineer's estimate of the probable total cost of said improvement is $6,904.00.

The above improvement is to be classed as a gravel improvement and shall be maintained by the city for the period of four years, provided, that the owners of a majority of the property benefited by said improvement or any portion thereof do not voluntarily petition for a new or different improvement before the expiration of such period.

The plans, specification and estimates of the City Engineer for the improvement of said East Seventh street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.
THOS. C. DEVLIN,
Auditor of the City of Portland.
June 19, 1903.

PROPOSED IMPROVEMENT OF EAST YAMHILL STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 17th day of June, 1903, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve East Yamhill street from the east line of East Thirty-sixth street to the west line of East Thirty-ninth street in the following manner, to-wit:

First—By grading the stret full width with full intersections to the established grade.

Second—By constructing wooden sidewalks 12 feet wide with six-foot covering planks.

Third—By constructing wooden crosswalks six feet in width.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 16th day of June, 1903, indorsed: "City Engineer's plans and specifications for the improvement of East Yamhill street from the east line of East Thirty-sixth street to the west line of East Thirty-ninth street, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet north of and parallel with the north line of East Yamhill street and a line 100 feet south of and parallel with the south line of East Yamhill street, and between the east line of East Thirty-sixth street and the west line of East Thirty-ninth street.

The Engineer's estimate of the probable total cost for said improvement is $1,551.00.

The plans, specifications and estimates of the City Engineer for the improvement of said East Yamhill street are hereby adopted.

Resolved, That the Auditor of the City of Portland, Oregon, be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.
THOS. C. DEVLIN,
Auditor of the City of Portland.
June 19, 1903.

CITY NOTICES.

PROPOSED ASSESSMENT FOR IMPROVEMENT OF UNION AVENUE.

Notice is hereby given that the Council of the City of Portland proposes to assess the following described property and owner or owners as being specially and peculiarly benefited in the amounts set opposite the names and descriptions thereof for the improvement of Union Avenue, from the south line of East Oak street to the north line of East Morrison street, as provided by Ordinance No. 13,165.

Any objections to the apportionment of cost for said improvement must be made in writing to the Council and filed with the Auditor within fifteen days from the date of the first publication of this notice, and said objections will be heard and determined by the Council before the passage of the ordinance assessing the cost of said improvement.
