THE END OF THE PARCE.

The Star Route Defendants Acquitted.

WASHINGTON, June 14.—There was a large gathering of the friends of the star-route defendents at Colonel Ingersoll's house to-night, which included the acquitted men, their counsel and a large number of their more intimate friends. Many of them met to exchange mutual congratulations, and out in the street was a crowd numbering 200 or 300 persons, who had gathered, partly out of curiosity and partly to express their sympathy with the defendants. They cheered Ingersoll and other counsel, as well as the defendants and the jury, and called for speeches. Colonel Ingersoll and Judge Wilson and Carpenter spoke briefly, denouncing the government for its tactics in the star-route trials, eulogizing the jury which acquitted the defendants and congratulating the latter and their friends. The crowd indoors and out was in full sympathy with the speakers. Inside the house women waved their handkerchiefs and clapped their hands, and the crowd outside became hoarse in its yells. General Brady, J. W. Dorsey, Miner and Vaile mingled with the groups in Colonel Ingersoll's parlors and received the congratulations of their friends. Mrs. J. W. Dorsey, Mrs. P. Peck, and half a dozen women, near relatives of defendants, moved about chatting and laughing with acquaintances. All men who have been prominent as with defendants were present in the house, and the crowd outside was made up of people who were conspicuous in the court room during the trial. At the conclusion of the speechmaking, Colonel Ingersoll invited the crowd into the house, where liquid refreshments was served. One of those who came into the house was Juror Evans. He was seized by the hands by Mrs. Dorsey and Mrs. Peck, who linked arms with him enthusiastically escorted him through the parlors, presented him to every one as one of the twelve honest men.

After an hour of so of hand shaking the crowd dispersed. Colonel Ingersoll was asked if he had anything to say about the verdict, and he replied, "Victory is the only revenge I want. I think it is the most popular verdict that has been given in this country for many years."

Of one fact I am convinced, and that is, St. Jacobs Oil does cure rheumatism. For years I suffered with rheumatism in my left shoulder and right arm, and last fall I was incapable of attending to my duties, and lay many a night unable to sleep on account of terrible pains. A few weeks ago a severe attack of this trouble struck me, and this time I concluded to try the St. Jacobs Oil, I must acknowledge, with but little confidence in its merits. I freely confess that the result has completely astonished me. The first application relieved the pain very materially, and the continued use of only two bottles has completely cured me of this chronic evil, and that, after the most eminent physicians and their prescriptions had been of no avail. I therefore consider it a duty to publish the above for the benefit of all sufferers with rheumatism and kindred complaints. G. A. HEILMAN, Editor *Republican*, Pittsburg, Pa.

Skin Diseases

Fifteen years of Suffering.—Body covered with Humor.—Had Twelve Doctors.—Paid out $500.—No Cure.—No Hope.

I will now state that I made a miraculous cure of one of the worst cases of skin disease know. The patient is a man forty years old; had suffered fifteen years. His eyes, scalp, and nearly his whole body presented a frightful appearance. He had the attention of twelve different physicians, who prescribed the best remedies known to the profession, such as iodide potassium, arsenic, corrosive sublimate, sarsaparilla, etc. Had paid $500 for medical treatment, with but little relief. I prevailed upon him to use the CUTICURA RESOLVENT (blood purifier) internally and the CUTICURA and CUTICURA SOAP externally. He did so, and was *completely* cured. The skin on his head, face, and many other parts of his body, which presented a most loathesome appearance, is now as soft and smooth as an infant's with no scar or trace of the disease left behind. He has now been cured; twelve months. Reported by

F. H. BROWN, Esq., Barnwell, S. C.

Helpless for Eight Years.—Unable to Walk for One Year.—Got about on Hands and Knees.—A Wonderful Cure.

I have had a most wonderful cure of Salt Rheum. For seventeen years I suffered with Salt Rheum; I had it on my head, face, neck, arms, and legs. I was not able to walk, only on my hands and knees, for one year. I have not been able to help myself for eight years. I tried hundreds of remedies; not one had the least effect. The doctors said my case was incurable. So my parents tried everything that came along. I saw your advertisement, and concluded to try CUTICURA REMEDIES. The CUTICURA brought the humor to the surface of my skin. It would drop off as it came out, until now I am entirely well. All I can say is, I thank you most heartily for my cure. Any person who thinks this letter a fraud, let them write or come and see me, and find out for themselves. WILL McDONALD,
