A Tender Hearted Emperor.

Advocates of the abolition of capital punishment in Europe have received encouragement from a new quarter, the emperor of Austria. Recently when called upon to sign the death warrant of a man who had taken the life of another in the heat of passion, he essayed to affix his signature, but as he wrote the first two or three letters his tears began to fall on the paper and blotted them. Turning to the ministers waiting for the dread document, he said: "See, my tears obliterate my name. I cannot sign the death warrant of a fellow-creature," at the same time tearing the paper into pieces. It is claimed that if the emperor of Germany and queen of England would follow the example of Francis Joseph, the cause would ultimately prove successful.

The world's stock of diamonds has increased enormously in the last fifteen years. The Boston *Post* says: In 1876 the output of the African mines was about 1,500,000 carats. Last year it was over 4,000,000 and the great "trust" which controls all the principal mines assert that they have 16,000,000 carats "in sight" at the present time.

Merit Wins.

We desire to say to our citizens that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. J. W. CONN, Druggist.

I am now nearly ninety years old, came to Oregon in 1842 in the employ of the Hudson's Bay Company, and since I began using the OREGON KIDNEY TEA I enjoy good health.

BETTER THAN GOLD.
RESTORED HER HEALTH.
For 25 years I suffered from boils, erysipelas and other blood affections, taking during that time great quantities of different medicines without giving me any perceptible relief. Friends induced me to try S. S. S. It improved me from the start, and after taking several bottles, restored my health as far as I could hope for at my age, which is now seventy-five years.

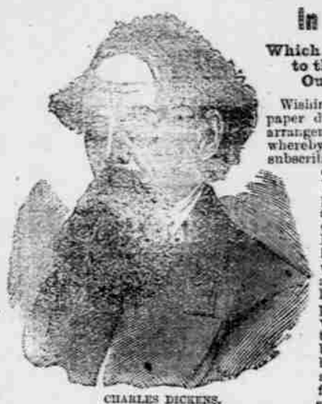
GRAND PREMIUM OFFER!
A SET OF THE
WORKS OF CHARLES DICKENS,
In Twelve Large Volumes,



CHARLES DICKENS.

Which we Offer with a Year's Subscription to this Paper for a Trifle More than Our Regular Subscription Price.

Wishing to largely increase the circulation of this paper during the next six months, we have made arrangements with a New York publishing house whereby we are enabled to offer as a premium to our subscribers a **Set of the Works of Charles Dickens,** in **Twelve Large and Handsome Volumes,** with a year's subscription to this paper, for a trifle more than our regular subscription price. Our great offer to subscribers eclipses any ever heretofore made. Charles Dickens was the greatest novelist who ever lived. No author before or since his time has won the fame that he achieved, and his works are even more popular to-day than during his lifetime. They abound in wit, humor, pathos, masterly delineation of character, vivid descriptions of places and incidents, thrilling and skillfully wrought plots. Each book is intensely interesting. No home should be without a set of these great and remarkable works. Not to have read them is to be far behind the age in which we live. The set of Dickens' works which we offer as a premium to our subscribers is handsomely printed from entirely new plates, with new type. The twelve volumes contain the following world-famous works, each one of which is published *complete, unchanged, and absolutely unabridged:*

DAVID COPPERFIELD,
MARTIN CHUZZLEWIT,
NICHOLAS NICKELBY,
DOMBEY AND SON,
BLEAK HOUSE,
LITTLE DORRIT,
OUR MUTUAL FRIEND,
PICKWICK PAPERS,
BARNABY RUDGE AND CHRISTMAS STORIES,
OLIVER TWIST AND GREAT EXPECTATIONS,
THE OLD CURIOSITY SHOP AND THE UNCOMMERCIAL TRAVELER,
A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF EDWIN DROOD.

The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every nook and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens, the usual high cost of the books preventing people in moderate circumstances from enjoying this luxury.
