"GRIN LIKE A CHESHIRE CAT."

"Well, well! Didn't ever hear of a 'grin like a Cheshire cat?' Why, you see, a man down in Cheshire had a cat which grinned and grinned until there was nothing left of the cat but the grin, just as some scrofulous people, who don't know of Dr. Pierce's Golden Medical Discovery, get a cough, and then cough and cough until there is nothing left of them to erect a monument to but the cough."

The Golden Medical Discovery is the most effective, anti-bilious, anti-dyspeptic, strength-giving remedy extant. For weak lungs, lingering coughs, spitting blood, scrofula, sores, pimples, and ulcers, it is a wonderful and efficacious remedy. Send six cents in stamps for a book (160 pages) on these diseases and their cure. Address World's Dispensary Medical Association, Buffalo, N. Y.

AN EAGER AND NIPPING WIND

A continuous downpour of rain, inclement weather, generally in winter and spring, are unfavorable to all classes of invalids. But warmth and activity infused into the circulation counteracts these influences and interpose a defence against them. Hostetter's Stomach Bitters, most thorough and effective of stomachics and tonics, not only enriches the blood, but accelerates its circulation. For a chill, or premonitory symptom of rheumatism and kidney complaint, particularly prevalent at these seasons, it is the best possible remedy. It is also invaluable for dyspepsia, liver complaint, constipation and nervousness. Never set out on a winter or spring journey without it. Elderly persons and the delicate and convalescent are greatly aided by it.

EXTENDED SYMPATHY.

"Do unto others as you would have others do unto you," is sympathetically shown in the following lines, the presumption being that sympathy is born, or akin to pain or sorrow:

"Gentlemen:—Please send Krause's Headache Capsules as follows: Two boxes to Flora Seay, Havanna, N. Dak. Two boxes to Lillie Wilcox, Brookland N. Dak. I have always been a great sufferer from headache and your Capsules are the only thing that relieves me." Yours very truly,

Indio
THE OASIS OF THE COLORADO DESERT
A New Health Resort
BELOW THE LEVEL OF THE SEA
Absolutely Dry and Pure Tropical Climate
Pronounced by Physicians the most Favorable in America for Sufferers from . . .
Lung Diseases and Rheumatism
Many Remarkable Cures
The objections urged against Indio in the past by the large numbers who otherwise would have been glad to take advantage of its beneficial climate, has been a lack of suitable accommodation. The Southern Pacific Company, takes pleasure in announcing that several
Commodious and Comfortable Cottages
have just been erected at Indio station, that will be rented to applicants at reasonable rates. They are furnished with modern conveniences, supplied with pure artesian water, and so situated as to gove occupants all the advantages to be derived from a more or less protracted residence in this delightful climate.

(From the San Francisco Argonaut.)

"In the heart of the great desert of the Colorado—which the Southern Pacific road traverses—there is an oasis called Indio, which, in our opinion, is the sanitarium of the earth. We believe, from personal investigation, that for certain invalids, there is no spot on this planet so favorable."

G. T. Stewart, M. D., writes: "The purity of the air, and the eternal sunshine, fill one with wonder and delight. * * * Nature has accomplished so much that there remains but little for man to do. As to its possibilities as a health resort, —here is the most perfect sunshine, with a temperature always pleasant, a perfectly dry soil, for rain is an unknown factor; pure oxygen, dense atmosphere and pure water. What more can be desired? It is the place, above all others, for lung troubles, and a paradise for rheumatics. Considering the number of sufferers who have been cured, I have no hesitancy in recommending this genial oasis as the haven of the afflicted."
