Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE, Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

A WOMAN'S BURDENS

Are lightened when she turns to the right medicine. If her existence is made gloomy by the chronic weaknesses, delicate derangements, and painful disorders that afflict her sex, she will find relief and emancipation from her troubles in Dr. Pierce's Favorite Prescription. If she's overworked, nervous, or "run-down," she has new life and strength after using this remarkable remedy. It's a powerful, invigorating tonic and nervine, which was discovered and used by an eminent physician for many years, in all cases of "female complaints," and weaknesses. For young girls just entering womanhood; for women at the critical "change of life;" in bearing-down sensations, periodical pains, ulceration, inflammation, and every kindred ailment, it effects perfect and permanent cures.

THE USE OF NOSES

Humoristische Blaetter.

"Mamma, why do people have noses?"

"Common people, my dear, have noses that they may sneeze and smell, but highborn people like we are have noses that they may express their contempt of common people."

The archbishop of Canterbury has declined to prosecute the bishop of London for issuing a license for the marriage of divorced persons, on the ground that the bishop's chancellor held that such licenses are proper, and the bishop has a right to act off the decision of his chancellor.

The queen of Portugal has just passed the examinations qualifying her for practice as a physician in the land of her adoption. It is the first instance on record of a lady of sovereign rank winning for herself by means of diligent study the diploma of a Doctor of Medicine.

One Minute Cough Cure is a popular remedy for croup. Safe for children and adults. Chas. Rogers.

Gounod was not only a composer, but a journalist, especially during his sojourn in England. A book is about to be issued containing some of the master's contributions to English and French papers, together with other of his essays.

ELECTRIC BITTERS.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed in the spring, when the languid exhausted feeling is prevailing, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system bottle at Chas. Rogers' drug store.

Paderewski's total receipts for twenty-eight performances have reached the enormous sum of $80,431, the greatest amount probably ever received by a musician. The twenty-eighth performance in Cleveland, O., showed receipts of $4,710.

DeWitt's Little Early Risers for biliousness, indigestion, constipation. A small pill, a prompt cure. Chas. Rogers.

Governor Frank Brown, having retired as chief executive of Maryland, will devote his time to the affairs of the Baltimore Traction Company, of which he is president, and May next he will sail for Europe on an extended tour.

PROVEN A BOON.

Gentlemen:—I have always recommended Kraus's Headache Capsules wherever I have had a chance. They have proven a veritable boon in my family against any and all kinds of headache. Yours truly,

J. E. WALTER, Leavenworth, Kansas.

According to the Saturday Review the letters of Matthew Arnold are, while a little too formal, written in a better style than his essays, "were it only because they lack the odious preacher mannerism."

Coughing irritates the delicate organs and aggravates the disease. Instead of waiting, try One Minute Cough Cure. It helps at once, making expectoration easy, reduces the soarness and inflammation. Every one likes it. Chas. Rogers.

Ex-Policeman Superintendent Byrnes is said to be in a precarious state of health, although this is denied by some of his friends. He is now on his way back to this country from abroad, and will leave for Hot Springs, where he will spend some time recuperating.

Wife—Here's an acount of a man who shot himself rather than suffer the pangs of indigestion. Husband—The fool! Why didn't he take DeWitt's Little Early Risers? I used to suffer as bad as he did before I commenced taking these little pills. Chas. Rogers.

EXCELLENT OPPORTUNITY.

Pittsburg Chronicle-Telegraph.

"We may have wet weather for Christmas," remarked the major.

"That will give Santa Claus a chance to use his rain deer," replied the judge.

If suffering with piles, it will interest you to know that DeWitt's Witch Hazel Salve will cure them. This medicine is a specific for all complaints of this character, and if instructions (which are simple) are carried out, a cure will result. We have tested this in numerous cases, and always with like results. It never fails. Chas. Rogers.

NOT A GREAT DEAL.

Detroit News-Tribune.

"I'm engaged to three just at present," she said. "Yes. A good deal on hand? Oh, no. Not nearly so much as I have had. There is but one diamond in this lot."

Upon a rough estimate she would out the aggregate value at $150.

One Minute Cough Cure is rightly named. It affords instant relief from suffering when afflicted with a severe cough or cold. It acts on the throat, bronchial tubes, and lungs and never fails to give immediate relief. Chas. Rogers.

A NORTHERN OUTRAGE.

"What impressed you as the most remarkable thing you saw while on your trip through the South?"

"A live chicken running at large in the streets of Charleston."

How to use Cottolene

the new shortening, like all other things must be rightly used if you wish the best results. Never, in any recipe, use more than two-thirds as much Cottolene as you used to use of lard. Never put Cottolene in a hot pan. Put it in when cold and heat it with the pan. Be careful not to burn Cottolene. To test it, add a drop of water; if hot enough, it will *pop*. Cottolene, when rightly used, delights everyone. Get the genuine, sold everywhere in tins, with trade-marks—"*Cottolene*" and *steer's head in cotton-plant wreath*—on every tin.

INDORSED BY THE PRESS.

Gentlemen:—This is to certify that I have used Kraus's Headache Capsules with satisfactory results. I bought a box which cost me 25c, and one capsule cured me of a dreadful sick headache. My wife and myself have both used the medicines manufactured by the Norman Liebty Mfg Co., and we recommend them to the public as being just what they are represented.

Respectfully,
W. J. HUTCHISON,
