The Daily Call

Read Journal Want Columns! You'll always find them interesting, probably profitable. Many have made fortunes through want ads, there's no reason why you shouldn't have the opportunity.

But there are often things we want and need in every-day life. What do you want today?

Is a suite of housekeeping rooms for $10 about it? You can find the location in the advertisement under "For Rent—Housekeeping Rooms."

Read the "For Rent—Houses" classification and see whether you can't find a suitable house for you. Homes in various parts of the city are continually advertised in it.

The "For Sale—Real Estate" classification is unusually interesting today. Notice the number of good properties offered by many owners. They are worth looking up.

If you are looking for an investment the "Business Chances" ads will help you find a good opportunity. Read them through carefully, don't miss any.

An eastern man who understands all kind of wood-working machinery and knows more, too, wants a position. His advertisement appears under "Situations Wanted—Male."

If you are out of work, remember that a "Situation Wanted" advertisement will be inserted two days free of charge.

Notice today's "Male Help" ads. All kinds of help is wanted. Surely you ought to be able to get something to do, if you are willing to work.

If you have anything to sell, advertise it in the "For Sale—Miscellaneous" classification. What you have and don't want is very likely just what someone else needs and is looking for.

Advertising in Journal Want Columns is inexpensive, 21 words for 15 cents, (note the special offer on another page). Many thousands of people read these columns carefully every day; it will pay you to use them.
