Roman striped silk petticoats are the latest caprice in French lingerie.

The three-year-old boy of J. A. Johnson, of Lynn Center, Ill., is subject to attacks of croup. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his little boy's life. He is in the drug business, a member of the firm of Johnson Bros., of that place; and they handle a great many patent medicines for throat and lung diseases. He had all these to choose from, and skilled physicians ready to respond to his call, but selected this remedy for use in his own family at a time when his child's life was in danger, because he knew it to be superior to any other, and famous the country over for its cures of croup. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by Estes-Conn Drug Company.

A KLONDIKE BOOK

The Chicago Record's book for gold seekers is now ready. A reader of this book will know more of Alaska and the wonderful Klondike district than he could learn by months of personal observation and research on the ground. In comparison with other works on the subject it is the "Webster's Dictionary of Alaska," —a perfect and peerless volume, at once the model and despair of rival publishers.

It tells of the richest and most extensive gold fields the world has ever known—How they were discovered—Fields yet unexplored—Ten years' work already in sight—Where is the mother lode? —The fortunes already made—The millions to be taken out next year—How to get there—R. R. fare and other exxpenses from all points—Medical hints—Climate—Official maps—Government reports—All land and water routes—Projected railroads—Mining laws—Customs. In brief, all that is known of this wonderfll land of fabulous wealth. It is the only authentic, practical book, official and endorsed. About 600 pages. Handsomely bound in art canvas price, $1.50.

Agents are wanted to handle this valuable work. It is a chance of a life time. Experience is not necessary, as full instructions are sent and the whole people are clamoring for the book. Reports from agents just started show wonderful success. Sales run as high as 20 books an hour. Big commissions and valuable premiums are allowed. Credit is given and freight paid. It is an opportunity to gain a competence in a short time. The book is not sold through book stores or newspapers. Complete canvassing outfit will be mailed for 20 cents, stamps. To places where we have no agent a full copy of the book will be sent to customers, prepaid, on receipt of price. Address, exactly, Monroe Book Company, department K, 219, Chicago.

STEAMER ASHORE.

Victoria, Nov. 9.—The steamer City of Nanaimo, running between Victoria and Nanaimo, is ashore in Faleen Narrows, a dangerous point about five miles below Black Diamond City. She met with an accident while helping the Alaskan cannery tender Kartuk off a point in the Narrows. The Kartuk made her way back to Nanaimo.

THE OBJECTION NOT GOOD.

There are people who have objections to advertising matter in the columns of a newspaper. The ground of objection is that they do not want to read advertisements. Now this objection is not good, for oftentimes these advertisements convey valuable information. For instance, how else would the traveling public learn of the excellent dining car service of the Wisconsin Central lines between St. Paul and Chicago, or the general comfort of traveling over this popular line. For particulars call on the nearest ticket agent or address J. C. Pond, G. P. A., Milwaukee, Wis., or Geo. S. Batty, General Agent, 248 Stark street, Portland, Or.
