AN ASHLAND INTERVIEW

Mrs. McDonald Tells Her Experience.

The following brief account of an interview with an Ashland woman four years ago, and its sequel, will be read with keen interest by every citizen.

Mrs. S. C. McDonald, 685 B St., Ashland, says: "I can highly recommend Doan's Kidney Pills. I know from personal experience that they cannot be equaled for kidney trouble. I have taken them on several occasions for a lameness through my kidneys and it only required a few to relieve me of the misery. Doan's have also proved to be a splendid remedy for another member of my family who had considerable trouble with his kidneys." (Statement given March 15, 1916).

On March 19, 1920, Mrs. McDonald said: "I know there is nothing better for kidney complaint than Doan's Kidney Pills. I seldom have any sign of kidney trouble and give Doan's the credit."

Don't Expose Your Property to Loss

If you were carrying $5,000 or more of cash in your car you'd want to have it insured.

But are you not driving your car, with about all of your property exposed?

If you injure a man, and he obtains a damage verdict against you, you've got to pay it.

If you haven't the cash, your property can be sold to get it.

Don't risk your house, your bank account, your business. Let a first class automobile policy stand between your worldly goods and the result of that possible accident. DO IT NOW. A few dollars today may save you a few thousand tonight.

Thrift—a Character Developer

You would be amazed at the number of people who open saving accounts at the First National, make a few deposits, then withdraw the entire amount.

Saving means sacrificing the present for the future; cultivating will power and perseverance. But character grows that way, and the spendthrift changes into the efficient spender—for there is such a thing.

We want the account of every one who can stick to saving.
