Portland, Oregon, date of first publication December 13, 1904.

PROPOSALS FOR STREET MAINTENANCE.

Sealed proposals will be received at the office of the Auditor of the City of Portland until Wednesday, December 21, 1904, at 4 o'clock p. m. for the repair and maintenance of the proposed improvement of Pine street from the west line of Front street to the east line of Sixth street, in the manner provided by ordinance No. 15,949.

Bids must be in accordance with printed blanks, which will be furnished on application at the office of the Auditor of the City of Portland. Said improvement must be repaired when the proper municipal authorities shall direct and shall be maintained in good condition for the full period of time for which contract shall be awarded.

Each proposal must state the number of years for which the bidder proposes to maintain said street improvement and the amount each year for which he proposes to do said work.

No proposal or bid will be considered unless accompanied by a check payable to the order of the Mayor of the City of Portland, certified by a responsible bank for an amount equal to 10 per cent of the aggregate proposal, to be forfeited as fixed and liquidated damages in case the bidder neglects or refuses to enter into contract and execute a suitable bond for the faithful performance of said work in the event the contract is awarded to him.

The right to reject any and all bids is hereby reserved.

By order of the Executive Board.
THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, December 15, 1904.

EXTENSION OF DAWSON STREET.

Whereas, the Council of the City of Portland, deeming it expedient to open, lay out, widen and establish an extension of Dawson street, in the City of Portland, from the westerly line of block 100, University Park, to the easterly line of McKenna avenue, said street to be 80 feet in width and the northerly line thereof to be 80 feet northerly from and parallel with the south line of Dawson street as now laid out in Portsmouth and University Park, did on the 19th day of October, 1904, direct the City Engineer to survey the same and to mark the boundaries thereof, and to make a plat of such survey, and a written report containing a full and perfect description of such proposed street and boundaries thereof, and of the portion of each lot, tract or parcel of land to be appropriated for such street, and the City Engineer having made such survey, plat and report, and filed such plat and report in the office of the Auditor of the City of Portland on the 26th day of October, 1904, and said report having been adopted by ordinance No. 14,826, entitled: "An ordinance accepting the report of the City Engineer in the matter of the proposed opening, widening, laying out and establishing of Dawson street, from the westerly line of block 100, University Park, to the easterly line of McKenna avenue, said street to be 80 feet in width and the northerly line thereof 80 feet northerly from and parallel with the south line of Dawson street as now laid out in Portsmouth and University Park."

Now, therefore, all persons interested are hereby notified that the Council of the City of Portland has appointed George W. Cone, Frank Merrill and T. T. Morgan viewers to view said proposed extension of said street and make an estimate of the benefits and damages occasioned by the opening, laying out and establishing of the same, in accordance with section 349 of the charter of the City of Portland, said viewers to meet at the office of the Auditor of the City of Portland on Saturday, the 24th day of December, 1904, at the hour of 10 o'clock in the forenoon of said day.

The proposed opening, widening, laying out and establishing of Dawson street is more particularly bounded and described as follows:

Beginning at a point on the northwesterly line of Dawson street at the westerly line of block 100, University Park, running thence northwesterly 80 feet distant from and parallel with the southerly line of Dawson street as now laid out, to the easterly line of McKenna avenue; thence southwesterly to the southerly line of Dawson street; thence southeasterly along the southerly line of Dawson street to a point where the same would be intersected by a southerly extension of the westerly line of block 100, University Park; thence northerly along the westerly line of block 100, University Park to place of beginning.

The proposed widening, laying out and establishing of Dawson street will include and necessitate the appropriation to public use of the following described parcels or tracts of land:

All that part of lot 1, block A, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 41, block A, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 1, block B, Portsmouth Villa, extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 30, block B, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 1, block C, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 53, block C, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 1, block D, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 1, block G, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 53, block G, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 1, block H, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 31, block H, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 1,500 square feet.

Also all that part of lot 1, block I, Portsmouth Villa extended, lying southerly of the proposed northerly line of Dawson street, containing 2,297 square feet.

All persons claiming damages by reason of the appropriations of the property above described, or any part thereof, in the proposed opening, widening, laying out and establishing of said street are hereby specially notified to file their claims for such damages with the Auditor of the City of Portland before the 24th day of December, 1904, the time appointed for the meeting of the viewers therein.

By order of the Council.

PROPOSED IMPROVEMENT OF EAST WATER STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 7th day of December, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve East Water street from the south line of Hawthorne avenue to the north line of East Oak street by bringing the street full width with full intersections to grade as shown by the stakes set by the City Engineer, with good, clean earth, clay, gravel, rock or other suitable filling.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 8th day of December, 1904, indorsed: "City Engineer's plans and specifications for the improvement of East Water street from the south line of Hawthorne avenue to the north line of East Oak street, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially and peculiarly benefited thereby and
