EXTENSION OF EAST GLISAN STREET.

Whereas, the Council of the City of Portland, deeming it expedient to widen East Glisan street, in the City of Portland, from the west line of East Second street to the west line of Union avenue, said street to be an extension in its present course and width of East Glisan street as laid out easterly of Union avenue, did on the 19th day of October, 1904, direct the City Engineer to survey the same and to mark the boundaries thereof, and to make a plat of such survey, and a written report containing a full and perfect description of such proposed street and boundaries thereof, and of the portion of each lot, tract or part of either to be appropriated for such street, and the City Engineer having made such survey, plat and report, and filed such plat and report in the office of the Auditor of the City of Portland on the 5th day of November, 1904, and said report having been adopted by ordinance No. 14,363, entitled: "An ordinance adopting the report of the City Engineer in the matter of the proposed widening of East Glisan street, in the City of Portland, from the west line of East Second street to the west line of Union avenue, said street to be an extension in its present course and width of East Glisan street as laid out easterly of Union avenue."

Now, therefore, all persons interested are hereby notified that the Council of the City of Portland has appointed H. J. Morrison, Thos. Hislop and E. Swan viewers to view said proposed extension of said street and make an estimate of the benefits and damages occasioned by the widening of the same, in accordance with section 349 of the charter of the City of Portland, and said viewers to meet at the office of the Auditor of the City of Portland on Wednesday, the 11th day of January, 1905, at the hour of 10 o'clock in the forenoon of said day.

The proposed widening of East Glisan street will make the said street 55 feet in width and is more particularly bounded and described as follows:

Beginning at a point in the west line of Union avenue, where the same would be intersected by an extension westerly of the north line of East Glisan street as laid out easterly of Union avenue, running thence on a westerly extension of the northerly line of East Glisan street to the west line of East Second street; thence southerly along the westerly line of East Second street 55 feet to a point; thence easterly along the southerly line of East Glisan street as now laid out, to the west line of Union avenue; thence northerly along the westerly line of Union avenue 55 feet to place of beginning.

The proposed widening of East Glisan street will include and necessitate the appropriation to public use of the following described parcels or tracts of land:

All that parcel or tract of land lying between the northerly line of the proposed East Glisan street, and a line 25 feet southerly therefrom and parallel therewith; and between the westerly line of Union avenue and the easterly line of East Third street, containing 5,000 square feet.

Also all that parcel or tract of land lying between the northerly line of the proposed East Glisan street and a line 25 feet southerly therefrom and parallel therewith; and between the easterly line of East Second street and the westerly line of East Third street, containing 5,000 square feet.

All persons claiming damage by reason of the appropriation of the property above described, or any part thereof, in the proposed widening of said street are hereby specially notified to file their claims for such damages with the Auditor of the City of Portland before the 11th day of January, 1905, the time appointed for the meeting of the viewers therein.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon. Date of first publication Dec. 24, 1904.

PROPOSED IMPROVEMENT OF GRAND AVENUE.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 21st day of December, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and purposes to improve Grand avenue from 12 feet north of the south line of East Stark street to 111 feet north of the north line of East Oak street, by constructing an elevated roadway in width 50 feet for the roadway and two 15-foot sidewalks on either side of the said roadway.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland, on the 9th day of December, 1904, indorsed: "City Engineer's plans and specifications for the improvement of Grand Avenue from 12 feet north of the south line of East Stark street to 111 feet north of the north line of East Oak street and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially and peculiarly benefited thereby and which is hereby declared to be all the lots, parts thereof and parcels of land lying between the north line of East Morrison street and the south line of East Burnside street, and between a line 90 feet easterly from and parallel with the east line of Grand avenue and a line 90 feet westerly from and parallel with the west line of Grand avenue.

The engineer's estimate of the probable total cost for the improvement of Grand avenue is $4,500.00.

The above improvement is to be classed as an elevated roadway improvement and shall be maintained by the city for a period of five years, provided, however, that the owners of a majority of the property benefited by said improvement or any portion thereof, shall not petition for a new or different improvement before the expiration thereof.

The plans, specifications and estimates of the City Engineer for the improvement of said Grand Avenue are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrances against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.
