Annual Luncheon Held at Hotel Medford—

The annual luncheon of the Rogue River Valley College Women's club was held at the Hotel Medford in Medford, Saturday, January eighth. The appointments were most artistically arranged with red and green, using poinsettas, ivy and holly berries, and red candles.

Several instructors from the Southern Oregon Normal school were present.

Alice Holmbeck and Beulah Gore gave a delightful rendition of the Symphony No. 2 by Haydn. The modern drama, "The Bybbuk," by Ansky Rappaport, a Russian-Jewish writer, was reviewed by Mrs. N. C. Chaney in a most able and entertaining manner.

The name of Miss Clara Trotter was presented by Mrs. E. E. Kelly, chairman of the membership committee, as a new member from the faculty of the Southern Oregon Normal.

"More!"

WITH all the flavor and goodness in a bowl of H-O, it's no wonder that youngsters ask so often for more. Mothers are always quick to give it to them. For H-O is brimful of just the sort of muscle and energy-building material that keeps children rosy-cheeked and full of fun all the year round.

Cooks in two to three minutes.

A STATEMENT

By the President of Dodge Brothers, Inc.

Within a few months, Dodge Brothers, Inc., will introduce a new line of motor cars, in no way conflicting with the market for Dodge Brothers present types, but occupying a considerably higher price field and produced in limited quantities.

Combining Dodge Brothers well known dependability with exceptional performance and striking beauty of appointment and design, these distinguished vehicles, we believe, will instantly set a new and higher standard in fine car practice.

Dodge Brothers will continue to produce their present line in maximum quantities to meet a demand which, during the year just ended, was very much the largest in their history, reaching the record total of 330,000 cars.

Keep Eliminative System Active

Good Health Requires Good Elimination.

ONE can't feel well when there is a retention of poisonous waste in the blood. This is called a toxic condition, and is apt to make one tired, dull and languid. Other symptoms are sometimes toxic backaches and headaches. That the kidneys are not functioning properly is often shown by scanty or burning passage of secretions. Many people have learned the value of *Doan's Pills*, a stimulant diuretic, when the kidneys seem functionally inactive. Everywhere one finds enthusiastic *Doan's* users. *Ask your neighbor!*
