WEATHER REPORT.

A few showers have occurred in upper Michigan and along the south Atlantic coast. A thunder storm, with a trace of rain, is reported at San Diego, California; these rains comprise about all that have fallen in the United States during the last 24 hours.

The temperatures are everywhere above normal, except over a small area in the west gulf states.

The indications are for generally fair weather in this district tonight and Saturday. It will probably be cooler Saturday east of the Cascade mountains.
