CURES WHEN DOCTORS FAIL.

Mrs. Frank Chiasson, Patterson, La., writes June 8th, 1901: "I had malaria fever in very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them." Herbine, 50c bottle at New Era Drug Store.

DIVIDE ITEMS.

An interesting and closely contested game of baseball was played here Sunday between the third nine of Cottage Grove and the Divide nine. The score was 23 to 19 in favor of Divide. A large crowd was present.

A large dance here Saturday night brought a number of people from other places, who stayed over Sunday.

The Chapman and Hohl sawmill is now being built.

The S. P. steam shovel is here and the crew makes quite an addition to the population.

A basket social is being gotten up for June 6th.

SPRING AILMENTS.

There is an aching and tired feeling, the liver, bowels and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite, nourishment for anything, and a feeling that the whole body and mind needs toning up. The trouble is, that during winter, there has been an accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and by its tonic effect, fully restore the wasted tissues and give strength in place of weakness. 50c at New Era Drug Store.

WANTED.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of Indigestion, Dyspepsia, and Liver Troubles that has not been cured—and we also mean their results, such as sour stomach, fermentation of food, habitual costiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try a 25 cent bottle first. We have never known of its failing. Now, something more serious is the matter with with you. The 25 cent size has just been introduced this year. Regular size 75 cents. At all druggists. G. G. Green, Woodbury, N. J. Gorman & Hemenway Co.

CAUTION!

This is not a gentle word—but when you think how liable you are to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents. At all druggists. Gorman & Hemenway Co.
