Keep bright and you'll be kept busy.

Light is the magnet that draws trade.

A show window brilliantly lighted with electric lights makes many a sale "the night before."

It attracts attention, makes it easy for your display to be examined, and shows your goods to the best advantage.

Electric light is the best and only illuminant.

When may our man see you about it?

For chapped and cracked hands nothing is quite as good as an application of DeWitt's Witch Hazel Salve. Put it on before going to bed, use an old pair of gloves and see what a difference the morning will bring. Sold by Benson's Pharmacy.

It is a mistake to use a violen cathartic to open the bowels. A gentle movement will accomplish the same results without causing distress or serious consequences later. DeWitt's Little Early Risers are recommended. Sold by Benson's Pharmacy.

Griffin & Veatch's display of razors, knives and razor strops is very effective when the colored electric lamps that are to go in the window are swung, they will gleam very brightly.

It is noticeable a cold seldom comes on when the bowels are freely open. Neither can it stay if they are open. Kennedy's Laxative Cough Syrup tastes as pleasant as maple sugar. Free from all opiates. Contains Honey and Tar. Conforms to the National Pure Food and Drug law. Sold by Benson's Pharmacy.

The County Superintendent of schools recently stated that he believed that the next legislature would extend the proceedings now given to the Juvenile court in Multnomah county to the circuit court in every county in the state and delinquents will be forced to go to school by the sheriff or give a good reason why not.

What are you laughing at?" we said to a fellow this morning, with a grin on his face so broad that it made the top of his head look like an island surrounded by mouth. "What in the world are you laughing at?" "I was just thinking of that show I saw at the Opera House last night, Jerry from Jerry."

Daily Cypress, Monterey, Cal., Feb. 9, 1906.

Jerry from Jerry Co. scored a big hit at the Theatre last night. They made good their promise that their performance would be up-to-date. The theatre was well filled by an appreciative audience. For clean fun they cannot be equalled. Jerry captured the house by storm.

Organizes Classes.

The gymnasium classes of the Methodist church met Christmas night to get some idea of the work they will have in the gymnasium and to agree on a uniform costume for the boys and a costume for the girls. The younger boys will wear suits of red jersey shirts, and white knee pants, and white rubber shoes, the older boys and men long light trousers with light jersey shirts. The women and girls will wear dark blue bloomer suits with white rubber shoes.

The rules under which the gymnasium will be operated were read and it was well understood that the gymnasium will be a place for work not fun. Strict military rules will be kept and no talking will be allowed. It is the intention to get the best out of the gymnasium for the strength of every part of the body, and every person who attends will be expected to attend to business and behave themselves, or they will not be permitted in the gymnasium.

There is no doubt but that they had a pleasant day, though the weather was not its very best, the atmosphere of their home was full of happiness and good cheer which was apparently felt by all.
