HIGHEST cash price paid for bottles and junk of every description. Portland Bottle Supply Co., 391 North Eighteenth. Phone Main 2288.

WHAT KIND OF FINANCIER ARE YOU?

To sell a lot of ground for $50 less than it would bring if $5 were expended in advertising it is very common—if not very wise—financiering.

To sell a shop or store for $2,000 when $10 worth of advertising would have found the man willing to pay $500 more for it—that is "near-sighted" financiering.

To allow a house or apartment to remain tenantless for three months, when $3 worth of advertising would have rented it in three days—is not a GOOD way to "manage property," but it is a very usual way!

Through all the little affairs of daily life we are apt to thus trample upon all of the Financial Commandments — making ourselves the poorer, and nobody else especially the richer.
