FREE LIBRARY IS POPULAR

Circulation of Books in January Nearly 50 Per Cent Greater Than in December.

During the month of January, the total circulation of books at the public library was 884, divided as follows: Fiction, 445; non-fiction, 55; children's books, 274; traveling library books, 110. This shows an increased circulation over December of almost 50 per cent, which is very gratifying to those in charge. 410 cards have been issued to readers, and new ones are issued every day. From this it will readily be seen that fully one-fourth of the people of Dallas are making good use of the library. Many families living out of town three or four miles drive in regularly for books when they do their shopping.

In the past week the following new books have been added to the shelves:

Stories of the Colleges.
Heart of my Heart—Meredith.
Blazed Trail Stories—White.
The Man from Glengarry—Connor.
The Long Day.
The Young Man and the World—Beveridge.
William Tell—Upton.
A Knight of the 19th Century—Roe.
The Eternal City—Caine.
Little Journeys to Homes of English Authors—Hubbard.
Pa Gladden—Waltz.
A Beautiful Alien—Magruder.
The Mettle of the Pastures—Allen.

Startling But True.

People the world over were horrified on learning of the burning of a Chicago theater in which nearly six hundred people lost their lives, yet more than five times this number or over 3,000 people died from pneumonia in Chicago during the same year, with scarcely a passing notice. Every one of the cases of pneumonia resulted from a cold and could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have warded it off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it cured my daughter, Laura, of a severe cold, and I believe saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, New York. Sold by Stafrin Drug Company.

Albany may have a big sawmill and planing mill.

A man who once had rough horny-hands made them soft and smooth with Witch Hazel Salve, but he used the genuine—that bearing the name "E. C. DeWitt & Co., Chicago." For sores, boils, cuts, burns, bruises, etc., it has no equal, and affords almost immediate relief from blind, bleeding, itching and protruding Piles. Sold by Belt & Cherrington.

If the forest trees in Linn county, on the western slope of the Cascade mountains, were converted into lumber, the yield would be 20,000,000,000 feet.

They never gripe or sicken, but cleanse and strengthen the stomach, liver and bowels. This is the universal verdict of the many thousands who use DeWitt's Little Early Risers. These famous little pills, relieve headache, constipation, biliousness, jaundice, torpid liver, sallow complexion, etc. Try Little Early Risers. Belt & Cherrington.

Deep snows cause Eastern Oregon farmers to smile.

Men Past Sixty in Danger.

More than half mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years although I am now 91 years old." Belt & Cherrington.

Pirating Foley's Honey and Tar.

Foley & Company, Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. Belt & Cherrington.

A number of farmers near Scio are going to raise hemp. A company will furnish the seed and pay $60 a ton for the product and it is thought four or five tons per acre can be raised.

The New Cough Syrup—the one that acts as a mild cathartic on the bowels—is Kennedy's Laxative Honey and Tar. It expels all cold from the system, cuts the phlegm out of the throat, strengthens the mucous membranes of the bronchial tubes, and relieves croup, whooping cough, etc. Children love it. Sold by Belt & Cherrington.

A Liberty man's strawberry plants have large berries on them—perhaps not very sweet, however.

Afraid of Strong Medicines.

Many people suffer for years from rheumatic pains, and prefer to do so rather than take the strong medicines usually given for rheumatism, not knowing that quick relief from pain may be had simply by applying Chamberlain's Pain Balm and without taking any medicine internally. For sale by Stafrin Drug Company.

Diseased fruit trees must go.

Don't deceive yourself. If you have indigestion take Kodol Dyspepsia Cure. It will relieve you. Rev. W. E. Hocutt, South Mills, N. C., says: "I was troubled with chronic indigestion for several years; whatever I ate seemed to cause heartburn, sour stomach, fluttering of my heart and general depression of mind and body. My druggist recommended Kodol, and it has relieved me. I can now eat anything and sleep soundly at night. Kodol digests what you eat. Belt & Cherrington.

Many persons around Dayton are going into the business of raising loganberries.

Sick Headache.

This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose or two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off, or greatly lessened in severity, by taking a dose of these Tablets as soon as the first symptom of an attack appears. Sold by Stafrin Drug Company.

Many fruit trees are being planted in Polk county.

The Best Physic.

When you want a physic that is mild and gentle, easy to take and certain to act, always use Chamberlain's Stomach and Liver Tablets. For sale by Stafrin Drug Company.

Lincoln is to be the best county in the state for fish hatching.

Itch—Ringworm.

E. T. Lucas, Wingo, Ky., writes, April 25, 1902: "For 10 to 12 years I had been afflicted with a malady known as 'itch.' The itching was most unbearable; I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me completely and permanently. Since then I have used the liniment on two separate occasions for ring worm and it cured me completely. 25c, 50c and $1.00. Sold by Stafrin Drug Company.

Chittim bark will be higher hereafter, says a Lincoln county dealer.

Just a little Kodol after meals will relieve that fulness, belching, gas on stomach, and all other symptoms of indigestion. Kodol digests what you eat, and enables the stomach and digestive organs to perform their functions naturally. Belt & Cherrington.

A Percheron stallion was sold to Grass valley farmers for $4,000.

A Card.

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents serious results from a cold. Cures lagrippe cough and prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes. Belt & Cherrington.

Hay is scarce in Baker county.

CROUP

Begins with the symptoms of a common cold; there is chilliness, sneezing, sore throat, hot skin, quick pulse, hoarseness and impeded respiration. Give frequent small doses of Ballard's Horehound Syrup, (the child will cry for it) and at the first sign of a croupy cough apply frequently Ballard's Snow Liniment to the throat.

Mrs. A. Vliet New Castle, Colorado, writes, March 19, 1902: I think Ballard's Horehound Syrup a wonderful remedy, and so pleasant to take. Sold by Stafrin Drug Company.

The soothing and healing properties of this remedy, its pleasant taste and permanent cures have made it a favorite with people everywhere. For sale by Stafrin Drug Company.

Junction City has a new electric light plant.

All old-time Cough Syrups bind the bowels. This is wrong. A new idea was advanced two years ago in Kennedy's Laxative Honey and Tar. This remedy acts on the mucous membranes of the throat and lungs and loosens the bowels at the same time. It expels all cold from the system. It clears the throat, strengthens the mucous membranes, relieves coughs, colds, croup, whooping cough, etc. Sold by Belt & Cherrington.

CONSUMPTION, COUGHS, COLDS, BRONCHITIS ASTHMA, SORE THROAT, HOARSENESS WHOOPING COUGH AND CROUP
DO NOT DELAY
Until the drain on your system produces permanent disability. The human breathing machinery is a wonderful system of tubes and cells. To have good health it must be kept in good order. A COLD is considered of no importance, yet if it was known by it's proper name of "throat inflammation," or "congestion of the lungs," its dangerous character would be appreciated. When a cold makes its appearance use at once Ballard's Horehound Syrup which will speedily overcome it.
WHOOPING COUGH and CROUP Require Prompt Action. SNOW LINIMENT applied to the throat and chest gives wonderful relief, while Ballard's Horehound Syrup will rapidly stop the violent paroxysms of coughing. IT IS THE ONLY COUGH REMEDY THAT WILL POSITIVELY CURE WHOOPING COUGH AND CROUP.
