Into betting on a shell game, buying gold bricks or similar schemes devised by black-legs to separate you from your money.

Crooks of all kinds fight shy of dealing with banks because they fear detection and punishment.

A swindler prefers ready cash and a burglar has no use for your check book.

WILL DISCUSS FIRE PROTECTION

Fire Chief Campbell to Take Matter Up With Portland Heights Improvement Association.

Better fire protection for Portland Heights was discussed at the meeting of the fire committee of the executive board yesterday afternoon and Fire Chief Campbell was instructed to take the matter up with the improvement club there, the purpose being to have a delegation explain the desires of the residents at the meeting of the committee two weeks hence.

Plans for a building to cost $6,000 were prepared sometime ago by Battalion Chief Holden, but the residents desired a more imposing structure. They wanted a brick bulding instead of a frame one and had plans prepared for such a house. However, their plans prepared called for a structure costing nearly twice as much as the appropriation provided for.

From the conference between the committee and the property owners it is expected that plans will be evolved for a building in harmony with the surroundings and one which will be a credit to the city.
