O. R. & N. and S. P. Book Tells About This Country.

If possible, the Passenger Department of the Oregon Railroad & Navigation Company and Southern Pacific (Lines in Oregon) has surpassed itself in the 1906 issue of its new publication, "Oregon, Washington, Idaho and their resources."

The purpose of the publication is to attract homeseekers and investors to the Pacific Northwest and this publication is undoubtedly the best messenger that could be sent by residents of Oregon, Washington and Idaho to their friends in the East and Middle West.

Beautiful half tones, printed on superb book paper, make the publication, which contains 88 pages and a map of the section, a work of art, but far superior to the typographical make-up is the contents of the book. Under many heads covering practically all the resources of the states are short, pithy stories of what has been accomplished, not what might be done, but actual facts and figures accompanied by names and addresses of well known farmers, who are daily laying aside an income that would be a fortune to an Eastern Agriculturist.

Wm. McMurray, General Passenger Agent of the O. R. & N. Co. and S. P. Lines in Oregon has favored the editor with a copy of this publication and informed him that readers of this paper by sending the names and addresses of friends in the East and four cents in postage for each address, may have the book promptly mailed to the address given.

Don't drag along with a dull, bilious, heavy feeling. You need a pill. Use DeWitt's Little Early Risers, the famous little pills. Do not sicken or gripe, but results are sure. Sold by all druggists.

A little tree in Hillsboro scarcely taller than an ax handle bore 45 big apples.

A word of truth in a few words: "Nearly all other cough cures are constipating, especially those containing opiates. Kennedy's Laxative Honey and Tar moves the bowels. Contains no opiates." You can get it at all druggists.

Lightning set several fires in the Blue mountains and a number of telephones were burned out.

Why does the sun burn? Why does a mosquito sting? Why do we feel unhappy in the Good Old Summer Time? Answer: we don't. We use DeWitt's Witch Hazel Salve, and these little ills don't bother us, Learn to look for the name on the box to get the genuine. Sold by all druggists.

The Radium Springs sanitarium, near Haines, promises to become quite an important institution.

Prof. Tyler, of Amherst college, said recently: "A man can live comfortably without brains; no man ever existed without a digestive system. The dyspeptic has neither faith, hope nor charity." Day by day people realize the importance of caring for their digestion; realize the need of the use of a little corrective after overeating. A corrective like Kodol for Dyspepsia. It digests what you eat. Sold by all druggists.

There isn't a stream 250 miles long anywhere on earth that contains as many trout to the square yard as the Deschutes, says the Prineville Review.

The intense itching characteristic of salt rheum and eczema is instantly allayed by applying Chamberlain's Salve. As a cure for skin diseases this salve is unequalled. For sale by Stafrin Drug Co.

Polk county's blooded sheep attract eastern buyers.

Another Good Man Gone Wrong.

He neglected to take Foley's Kidney Cure at the first signs of kidney trouble, hoping it would wear away, and he was soon a victim of Bright's disease. There is danger in delay, but if Foley's Kidney Cure is taken at once the symptoms will disappear, the kidneys are strengthened and you are soon sound and well. A. R. Bass of Morgantown, Ind., had to get up ten or twelve times in the night, and had a severe backache and pains in the kidneys, and was cured by Foley's Kidney Cure. Belt & Cherrington.

Nearly everybody in Lakeview has the gold fever.

Unnecessary Expense.

Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service in such cases if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. A dose of this remedy will relieve the patient before a doctor could arrive. It has never been known to fail, even in the most severe and dangerous cases and no family should be without it. For sale by Stafrin Drug Co.

Most every town in Oregon expects at least one railroad.

How to Avoid Appendicitis.

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Belt & Cherrington.

A new flume nine miles long will carry logs into Sheridan.

There is nothing so pleasant as that bright, cheerful, at-peace-with-the-world feeling when you sit down to your breakfast. There is nothing so conducive to good work and good results. The healthy man with a healthy mind and body is a better fellow, a better workman, a better citizen than the man or woman who is handicapped by some disability, however slight. A slight disorder of the stomach will derange your body, your thoughts and your disposition. Get away from the morbidness and the blues. Keep your stomach in tune and both your brain and body will respond. Little indiscretions of overeating can be easily corrected and you will be surprised to see how much better man you are. Try a little Kodol For Dyspepsia after your meals. Sold by all druggists.

The quality of wheat in Morrow county is much better than was expected, much of it going 65 pounds.

"Make Hay While the Sun Shines."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedo, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. For sale by Stafrin Drug Co.
