Oregon Daily Journal—

Gentlemen: We are highly pleased with the results received from our advertisement in last Sunday's Journal. Through it exclusively we sold four houses and lots before Tuesday evening, ranging in price from $2,000 to $2,800.

The results The Journal gives proves that people are always anxious to invest in desirable residence property, and goes to prove that Portland real estate is a long ways from being dead.

Thanking you for the many favors we have received at your hands, and wishing you continued success, we remain,

Yours very truly,

Conklin Bros
