RANDOM ACTS OF KINDNESS

Each week The Baker County Press will include a list—all anonymous, of course—of the good deeds and random acts of kindness people from around the area have witnessed. To include something you've seen or experienced, email News@TheBakerCountyPress.com with "Random Acts of Kindness" in the subject line. We'll be sure to include your story.

• My husband mislaid a check made out to cash at Jacksons. Monica, who works there, called and told us. Thank you, Monica!

• Our neighbor watched our dogs dig under the fence for the hundredth time. She ran out and herded them back in, then hooked them to their leashes in the backyard. We came home from work and found them contained there, and several of those

garden planter stones tucked all along the outside of the hole on our fence. Thank you!

• I almost drove off with my mail on the hood of my car and you stopped me. That was kindness!

Happy Easter!
