## INJUNCTION AGAINST TUBERCULOSIS CAMP

(United Press Leased Wire.)

Seattle, April 15.—Undaunted by the demonstration against the project to quarter victims of the white plague on Queen Anne hill, the Anti-Tuberculosis league leaders have put men at work on the tract selected for the colony. Indignation meetings were held by the women of the neighborhood on back doorsteps and for a time it looked as if there would be a riot such as would put a suffragette demonstration in London to shame. Then it was learned that the carpenters at work had no city permit and an inspector with a number of police officers soon appeared on the scene and stopped the erection of tents for the consumptives.

The women then ordered their attorney, Judge Milo Root, to prepare papers in an injunction suit to restrain the league from establishing the colony.

## HELD FOR STABBING; CONFESSES MURDER

(United Press Leased Wire.)

Seattle, April 15.—Arrested for connection with the stabbing of John Anzuini last Sunday evening, Felippi Maggi, an Italian, has confessed the murder in his native country six years ago of his father-in-law. He denies all knowledge of the stabbing affray, which probably will be classed as a murder, for the patient is in a critical condition at the emergency hospital.

Detectives have discovered that behind the story of the stabbing is one of a faithless woman. Anzuini's love for Amanda Maggi had led him to run away with her when she was the wife of Felippi Maggi. Known as a bad man among his countrymen, Maggi was feared by Anzuini. Maggi arrived here 15 days ago from Chicago and last Sunday night Anzuini was slashed with a stiletto.

## WOMAN COP SENDS MEN TO CHAIN GANG

(United Press Leased Wire.)

Seattle, April 15.—Seattle's woman police detective, Dr. Mary B. Martin, has secured her first conviction, and today D. McCurdy and Fred Goodwin began serving 30 days on the chain gang in addition to paying a fine of $100 each. Dr. Martin arrested the men after investigating the disappearance of two young women from their homes. The girls were turned over to the juvenile court.

Fred Wilson, a young electrician, arrested by Chief of Police Ward Saturday night for approaching a young woman on a street corner and attempting to force his attentions upon her, was yesterday sentenced by Judge Gordon to a month's labor with the chain gang and to pay a fine of $100.

## BARRETT TO GIVE DINNER TO NOTABLES

Washington, April 15.—A dinner which promises to be a notable one is that arranged to be given tonight by John Barrett, director of the International Bureau of American Republics, to meet the chairman and members of the governing board of the bureau. Secretary Knox is chairman, ex-officio of the board, which is made up of the Latin-American ambassadors and ministers in Washington.

Representative officials and citizens from various sections of the United States have accepted invitations to attend the dinner which is to be given to emphasize the growing importance of Pan-American business interests and to afford an opportunity for informal observation by those attending. Vice President Sherman, Speaker Cannon, Attorney General Wickersham, Secretary Dickinson, Andrew Carnegie, Dr. Albert Shaw and the principal members of the senate and house foreign relations committee, are among those expected to be present.

## ALLEGED WHITE SLAVER CAUGHT AT SEATTLE

(United Press Leased Wire.)

Seattle, April 15.—Louis Martin wanted at Pittsburg as an alleged dealer in white slaves, was arrested by city detectives on the streets here yesterday. Superintendent of Police McQuiddy of Pittsburg in a circular sent to the local police department states that Martin was arrested October 19, 1908, on a charge of violating the Mann act relative to dealing in white slaves. Martin was released on $1000 bail and disappeared one week later.

### Scio Farmer Instantly Killed.

Scio, Or., April 15.—W. T. Hickman met instant death at his home, three miles southwest of this place, early yesterday morning, a loaded wood wagon falling upon him. A little son, who was upon the load with his father, escaped uninjured.
